Zero Pedestrian Fatalities by 2030

Action Plan:

- Three components:
  1. Programmatic
  2. Street Design/Infrastructure
  3. Community Engagement/Outreach
- Measurable Outcomes
- Used equitable, data-driven, transparent decisions and actions to improve safety throughout our community

Action Plan Goals

1. Programmatic - Adopt the goal of reaching zero fatalities by 2030

2. Street Design/Infrastructure – Develop a regional lighting standard and enhance street lighting to improve visibility throughout the Truckee Meadows

3. Community Engagement/Outreach – Recommend, pursue and establish Pedestrian Safety Zones
