BACKGROUND

This is the fifth grant renewal from HUD for the Continuum of Care – Permanent Supportive Housing Program. This HUD grant and county match supports housing and supportive services costs (rent, utilities and case management) necessary to assist individuals with maintaining their housing.

Under the Permanent Supportive Housing Program, Washoe County acts as the housing coordinator, provides case management and supportive services necessary to help the families maintain their housing. Grant funds are used to provide for rental assistance for scattered-site housing; County matching funds are used to provide additional supportive services, program, and fiscal and grant management.
