8.1 All medical examinations and determinations must be administered and evaluated in compliance with the American's with Disabilities Act of 1990 including changes made by the ADA Amendments Act of 2008 (P.L. 110-325), which became effective on January 1, 2009 and the Genetic Information Nondiscrimination Act of 2008 (GINA).

## **9. CANCELLATION OF AGREEMENT**

9.1 Either the COUNTY or the CONTRACTOR may cancel this Agreement without cause, penalty, charge, or sanction on ninety (90) days written notice to the other party of their intent to terminate the Agreement.

9.2 COUNTY reserves the right to terminate this Agreement at any time the CONTRACTOR fails to carry out the required services (i.e., breach of contract). However, COUNTY shall agree to give the CONTRACTOR prior notice of any deficiencies in performance, and shall state reasons for the deficiencies if known to COUNTY. If within thirty (30) days after receipt of such notice of deficiencies, the CONTRACTOR fails to cure the conditions stated to be deficient, COUNTY may terminate this Agreement. The following circumstances (including but not limited to) would result in a deficiency notification:

9.2.1 On evidence that CONTRACTOR fails to perform the work required by this Agreement with sufficient personnel and/or equipment to assure services as per this Agreement.

9.2.2 On evidence, in the opinion of the COUNTY, of failure of CONTRACTOR to perform the work suitably (e.g. acceptable to the COUNTY) or neglects or refuses to perform such work as may be rejected as unacceptable or unsuitable.

9.3 COUNTY shall further reserve the right to cancel this Agreement for cause, and without prior notice and without penalty, charge, or sanction to the COUNTY under the following circumstances:

- 9.3.1 On evidence that CONTRACTOR fails to commence the work as required by this Agreement within the time specified in the Notice to Proceed.

In the event that the COUNTY has failed to appropriate or budget funds for the purposes specified in the Agreement, or that COUNTY has been required, in its sole judgment, to amend previous appropriations or budgeted amounts to eliminate or reduce funding for the purposes of this Agreement, the COUNTY shall provide reasonable notice of such occurrence, and the Agreement shall be terminated without penalty, charge, or sanction.

## **11. INSURANCE AND INDEMNIFICATION REQUIREMENTS**

The CONTRACTOR agrees to provide legal representation, defend, indemnify, and hold harmless Owner, WCSO, and the employees, officers and agents of OWNER and the WCSO from any claims, legal action, liabilities, damages, or losses that may arise from the performance of this contract.

CONTRACTOR shall adhere to the insurance and indemnification requirements as specified in Attachment "B".

## **12. STATUS OF CONTRACTOR**

The CONTRACTOR shall have the status of an "INDEPENDENT CONTRACTOR," and shall not be entitled to any of the rights, privileges, benefits, and emoluments of either an officer or employee of the COUNTY. COUNTY and CONTRACTOR agrees to the following terms consistent with INDEPENDENT CONTRACTOR status:

- 12.1 CONTRACTOR has the right to perform services for others during the term of this Agreement

12.4 The COUNTY shall not require CONTRACTOR to devote full time to performing the services required by this Agreement.

Further, CONTRACTOR hereby certifies:

12.5 That CONTRACTOR is not an employee of the County, and thereby CONTRACTOR waives any and all claims to benefits otherwise provided to employees of the COUNTY, including but not limited to: medical, dental, other personal insurance; retirement benefits, unemployment benefits, and liability or worker's compensation insurance.

12.6 That CONTRACTOR is licensed or exempted by the State or other political subdivisions to do business in accordance with applicable law.

12.7 CONTRACTOR shall be required to provide the COUNTY with their federal tax I.D. number or social security number in order to receive payment against this Agreement. It is expressly understood and agreed by the CONTRACTOR and COUNTY that in the event any term, covenant or condition in this Agreement is held to be invalid by any court of competent jurisdiction, the invalidity of the term, covenant or condition shall in no way affect any other term, covenant or condition; provided, however, that the invalidity of such term, covenant or condition does not materially prejudice either the CONTRACTOR or COUNTY in their respective rights and obligations contained in the valid terms, covenants or conditions of this Agreement.

## **17. NONDISCRIMINATION**

The CONTRACTOR agrees not to discriminate against any employee or applicant for employment because of race, religion, color, national origin, disability, sex, sexual orientation, or age. Such agreements shall include, but not be limited to, the following: employment, upgrading, demotion or transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training including apprenticeship. Any violation of such provision by the CONTRACTOR shall constitute a material breach of contract. Further, CONTRACTOR agrees to insert this nondiscrimination provision in all sub-contracts hereunder, except sub-contracts for standard commercial supplies or raw materials.

## **18. AUDITING**

18.1 The CONTRACTOR shall maintain medical examination records in accordance with the State of Nevada and in compliance with the Health Insurance Portability and Accountability Act (HIPAA). Upon contract award, the CONTRACTOR shall retain WCSO employee medical records for a minimum of three (3) years. If the CONTRACTOR is replaced for any reason, the CONTRACTOR shall transfer three (3) years of WCSO employee medical records to the COUNTY at no cost to the COUNTY.

18.1.1 The COUNTY reserves the right to subject all medical examinations to audit or review by COUNTY or external auditors to ensure appropriate procedures and practices have been followed. In the case of an audit, the CONTRACTOR must provide the information requested within fourteen (14) business days to the auditor. Any internal costs to provide this information will be the responsibility of the CONTRACTOR.

18.2 The CONTRACTOR shall maintain a complete set of financial records relating to this Agreement in accordance with generally accepted accounting practices.

18.2.1 CONTRACTOR shall permit COUNTY to inspect and audit all work materials, payrolls, books, accounts, and other financial data and records relating to its performance of this Agreement until the expiration of three (3) years after the final payment is made. Any internal costs to provide this information will be the responsibility of the CONTRACTOR.

## **19. INTEGRATION**

This Agreement including any attachments incorporates the terms and conditions of the original Request for Proposal #3086-19 and the CONTRACTOR'S proposal response as accepted by COUNTY, and it represents the entire understanding of the parties. It may not be altered in any way without the express written consent of both parties.

## **ATTACHMENT "A"** **REQUIRED MEDICAL SERVICES**

### **A1 PRE-EMPLOYMENT MEDICAL EXAMINATIONS**

Pre-employment medical examinations are required by NAC 289.110.1(e). In conducting the physical examination, the physician will consider the prospective employee's ability to perform the physical requirements of the job based upon the County's medical guidelines, essential functions, and job analysis information.

1.1 The WCSO Assistant Sheriff or designee shall authorize all referrals to specialists or recommendations for additional testing or treatment determined by the examination in advance. The CONTRACTOR will indicate in writing the risk factor for heart disease (being over 40 or having two or more risk factors) and if the prospective employee will be referred for a treadmill (if the treadmill is not part of the employee's exams).

1.2 The content of the pre-employment examination for sworn employees (civilian employees only require selected tests due to specific job requirements) is as follows:

- 1.2.1 Doctor exam, review of medical history and reports
- 1.2.2 TB Skin Test or Quantiferon-Gold TB Test
- 1.2.3 Spirometry – Pulmonary Function Test
- 1.2.4 Urine drug screen
- 1.2.5 Chem Panel + Lipid Panel + CBC+UA
- 1.2.6 Audiogram with interpretation (including annual reporting)
- 1.2.7 Resting EKG
- 1.2.8 Stress Treadmill for those over age 40, or under age 40 with two or more risk factors for heart disease
- 1.2.9 Vision screening (Bailey-Lovie Wall Chart)
- 1.2.10 Color vision screening: (Plate Test followed by Farnsworth D-15 if necessary)
- 1.2.11 Chest X-ray interpreted by Radiologist
- 1.2.12 Heart-lung medical review letter - if needed
- 1.2.13 Immunization review (Per Center for Disease Control Guidelines Hepatitis Panel A, B, C )
- 1.2.14 Blood pressure monitoring
- 1.2.15 Body Mass Index
- 1.2.16 Percent body fat by electrical impedance test or other approved medical procedure

### **A2 REPORT OF EXAMINATION RESULTS**

For all pre-employment examinations, the physician should translate pertinent medical findings into functional placement data that can be transmitted to the Appointing Authority (hiring department). Functional assessments generally should not contain specific details of medical diagnosis but be in sufficient detail to assist the Appointing Authority in assessing the individual's capability of fulfilling employment requirements. However, it is recognized that exceptions will need to be made since it is often difficult to consider particular accommodations without knowledge of the specifics of the condition and its impact on performance, work hours, and other factors. The Health Status Report has been designed to facilitate this process. Each examined person will be assigned to a status category (1, 2, 3, or 4) on the Health Status Report. Status categories are defined as follows:

- **Status Category 1**

This designation indicates that no medical condition has been identified that conflicts with the individual's ability to safely address the physical demands of the position being applied for or currently held.

- **Status Category 2**

This designation means that the prospective employee was found to have a medical condition that could interfere with the individual's ability to safely perform the essential duties of the position. The physician on the Health Status Report may indicate restrictions. The physician must also reference the medical guideline(s) they reviewed in reaching the recommendation. The Appointing Authority should review these restrictions and functional limitations to determine if such limitations will impose an undue hardship upon the jurisdiction's ability to provide service. The Department of Human Resources and the Primary Physician may need to consult with the Appointing Authority to assess issues of reasonable accommodation.

- **Status Category 3**

This designation indicates that the physician is not willing to make a placement decision without further evaluation, tests, and consultation with the Appointing Authority.

- **Status Category 4**

This designation is for the physician to write in other comments directed to the Appointing Authority regarding the individual's medical status. An example might be that the individual's condition is so severe that the physician cannot recommend placement of the individual into the job.

### **A3 DRUG SCREENING:**

Drug screening is used only during pre-employment medical examinations. The successful proposer is responsible for maintaining the integrity of the specimen collection and transfer process for alcohol and drug screening and the privacy of the prospective employee, and is to avoid any conduct or remarks that might be construed as accusatorial or otherwise offensive or inappropriate.

### **A4 TESTING EQUIPMENT AND CONDITIONS**

- 4.1 Spirometry - will be performed on equipment that meets or exceeds the current standards for National Institute for Occupational Safety and Health (NIOSH), Occupational Safety and Health Administration (OSHA), American Thoracic Society (ATS), and American College of Chest Physicians (ACCP) Standards for Pulmonary Function Equipment. A technician who must have current certification of completion of an approved NIOSH course on Spirometry will perform tests.
- 4.2 Audiology - testing must be performed using a soundproof booth that meets the current requirements as set forth by OSHA. Testing to be conducted by a technician with a current certification for audio logic testing from the Council for Accreditation in Occupational Hearing Conservation (CAOHC). Regular calibration is mandatory and records must be permanently maintained.
- 4.3 Stress Treadmill – A Physician needs to be present.
- 4.4 Far Visual Acuity Screening - is particularly important for the unique job demands of public safety occupations. Vision screening must be performed using a wall chart recommended by the National Academy of Sciences - National Research Council Committee (NAS-NRC) on

Vision Working Group 39. The Bailey-Lovie Wall chart is one of two acceptable wall charts meeting NAS-NRC specifications. Bailey-Lovie wall charts are available from the University of Berkeley, (510) 642-0229 or online at [http://optometry.berkeley.edu/opt\\_txtpp/student\\_life/ucosa/merchandise/professional\\_materials.html](http://optometry.berkeley.edu/opt_txtpp/student_life/ucosa/merchandise/professional_materials.html). Titmus and Ortho-Rater devices do not meet the NAC-NRC specifications and must not be used for vision screening for law enforcement.

- 4.5 Color Vision - is critical for certain COUNTY occupations. Color vision screening must be performed with a clinical test recommended by the National Academy of Science - National Research Council Committee on Vision Working Group 41. Initial testing must be with an approved Pseudoisochromatic Plate Test. Tests that meet these criteria are the Dvorine Pseudo-Ischromatic Plate Test and the Ishihara Plate Test for Color Blindness. Persons failing the initial screening test will be tested using the Farnsworth Dichotomous Test for Color Blindness (Panel D-15). The Farnsworth D-15 is available from Richmond Products (505) 275-2406 or online at [http://www.richmondproducts.com/shop/index.php?route=product/category&path=317\\_321](http://www.richmondproducts.com/shop/index.php?route=product/category&path=317_321). Titmus and other automated tests for color vision are unacceptable, as they do not meet NAS-NRC specifications for use as screening devices.

4.5.1 Color vision and visual acuity tests must be performed under the standards of illumination as recommended by the manufacturers of the tests.

## **A5 FORMS/REPORTS:**

Prospective and existing employees will be given a physical examination utilizing examination forms specified by the COUNTY. All required forms and reports will be provided by the COUNTY in a Medical Forms and Reports Manual at the Pre-Proposal Conference. This manual will include a Medical History Form (OD-1), a Lung Examination Form (OD-2), an Extensive Heart and Limited Heart Combination Form (OD-3/OD-4), a Hearing Examination Form (OD-5), a MED-TOX Clinical Examination Form, a Public Safety Officer Examination Recap Form, an Annual TB Skin Test Result Report, an Annual Heart-Lung/Corrective Action Response Form, a Patient Information Form, a Health Status Report, an OSHA Respiratory Questionnaire and Clearance Letter, etc.

- 5.1 Documentation of physical examination findings can be important in future workers' compensation proceedings and in evaluating whether any subsequent abnormal findings are related to a preexisting condition. The COUNTY will rely on the CONTRACTOR to clearly document abnormal physical examination findings discovered during the pre-employment medical examination.
- 5.2 Documentation of the medical decision making process is critical. The CONTRACTOR must maintain clear, accurate and retrievable written records regarding the evaluative steps, which were taken in problem cases after the initial medical evaluation was performed. For persons with complex problems, the examining physician should document the basis or rationale for subsequent placement recommendations and decisions.
- 5.3 The CONTRACTOR shall provide written medical reports of pre-employment examinations within five (5) business days of the examination, and within ten (10) business days for all other examinations, unless otherwise agreed to on a case-by-case basis. In emergency situations, a telephone call shall be made within twenty-four (24) hours of the examination. Pursuant to NRS 617.457.10, the examining physician will report in writing any predisposing conditions that may affect employee's benefits or position.

## **A6 MEDICAL CONSULTATION:**

The Primary Physician shall provide medical consultation for the purposes of special medical interpretation of reports and "return to work" slips provided to the COUNTY by other medical

practitioners. It is sometimes necessary that this be accomplished through telephone consultation or facsimile. The Primary Physician shall also be required to perform specialized medical evaluations of those employees whose physical abilities to perform certain job functions may be questionable (fitness for duty examinations, back to work examinations). Such evaluations will be in accordance with the medical guidelines established for the classification. Consultations that may also be requested by the COUNTY include case reviews, case intervention with patient's treating physician or coordination with other consultants performing services for the COUNTY. The Primary Physician shall assist the COUNTY in identifying job modifications or work restrictions for COUNTY employees when necessary.

- 6.1 The COUNTY may require the Primary Physician to provide information to or testify before screening panels or commissions or other administrative bodies regarding specific cases such as medical appeals, reasonable accommodation, and other occupational medical issues.
- 6.2 The COUNTY requires the Primary Physician to refer any employee who does not pass the Heart/Lung portion(s) of the exam to the COUNTY's Risk Management Division within twenty-four (24) hours.
