BACKGROUND

Washoe County Code 45.415 authorizes the Senior Advisory Board to include 11 members of the community, 2 members from each commission district, 1 at large member who shall serve as a permanent member and 2 at large alternates who shall serve

in the absence of a permanent member. The members are appointed by the County Commission to serve a four year term and may serve, with reappointment, a maximum of two consecutive terms. The Advisory Board members must be, as required by County Code, residents of the County and have an interest in civic affairs, and an interest or experience in the fields of nutrition, geriatric social work, administration, finance, and law.

Candidates were recruited for the Senior Advisory Board by a posting on the Washoe County website. The Senior Advisory Board received a limited number of applicants for the vacant positions, however, those being recommended for appointment have met the qualifications. There remains a vacancy in District 3 and as a result the Human Services Agency anticipates that in the near future there will be further recommendations for appointment to the Board of County Commissioners.
