Subject: Uncollectible Accounts to Board of County of Commissioners

Pursuant to NRS 361.725(2), this Office has received and reviewed the attached uncollectibles' list from the Washoe County Treasurer. The accounts appearing on this attached list are uncollectible due to the reasons coded on the list and explained in the attached "code description" narrative.

Following long established practices, the Treasurer has exhausted reasonable efforts to locate either the property in question or the owner responsible for the taxes. Neither can be located and any potential court judgment for the taxes due would not be collectible based on current information.

If you have any questions, please do not hesitate to contact me.
