BACKGROUND

Due to ongoing concerns regarding safety, security and adjacency, the Our Place Site was selected as appropriate for relocation of homeless women and families from the existing Community Assistance Center (CAC) located on Record Street in Downtown Reno.

There is a need to provide separate services for women, children, and families in an atmosphere which provides an opportunity to break the cycle of homelessness. The Our Place campus can provide that atmosphere for women, children, and families. Additionally, removal of this vulnerable population from the downtown area will assist in lessening current challenges at the CAC specifically related to safety of our most vulnerable citizens and will assist in lowering the number of responses to the CAC by partnering agencies.

The overall project consists of interior improvements for approximately 64,000 square feet of interior area in seven separate buildings located at 405/605 South 21st Street and 480/310 Galletti Way Sparks, Nevada.

FISCAL IMPACT

The Our Place Campus Remodel Project is an approved Capital Improvement Project for FY 2020. There is sufficient budget authority in the Capital Improvement Fund (402) in Our Place Campus Remodel (PW920711) for the GMP #5.
