RE: List of Uncollectible Accounts for Presentation to the Board of County Commissioners (NRS 361.725)

Dear Michael,

Attached please find the list of accounts that we consider uncollectible and request approval to delete from the tax rolls for the fiscal years indicated. Please note that each account has been assigned one or more criteria codes to help explain why the account is considered uncollectible. A list of the criteria codes and their specific meanings is included.

This is our write-off for May 2022 and totals \$1,132.48 from 2018-2019 to 2021-2022.

Once reviewed, please forward your letter of approval To Cathy Hill, Comptroller, with a copy to me as well. The Comptroller's office will draft a staff report for presentation to the BCC and I will let you know what date we set for their approval should you wish to attend.

I'm also forwarding a set of these pages through inter-office mail. Please call with any questions you may have. I'd like to get this off to the BCC as soon as possible.

Regards,
