I would like to be appointed to the Building Enterprise Fund Committee because I think it is important for residents, and especially business owners, to actively participate in their community.

Describe your qualifications for this appointment, including, but not limited to your educational background, professional background and awards/honors.

After growing up in Washoe County and graduating from Hug High School, I attended the University of Idaho to pursue my degree. I graduated Summa cum Laude from the University of Idaho with a Bachelor of Architecture. I am a licensed architect in the State of Nevada and have been since 2001. I have worked in the field of architecture in Washoe County since I was a senior in high school, and worked for architectural firms in Reno until 2004, when I decided to join my husband in working full-time for our own company, GuiDenby, Inc. GuiDenby is a design-build construction company specializing in unique and challenging projects with a focus on sustainability. Our awards as a design-build team include multiple Pinnacle Awards from the Associated General Contractors, BANNER Awards from the Builder's Association of Northern Nevada, AGC Safety Awards, and LEED Gold Certification for our own offices on South Center Street.

List your community and/or civic involvement history.

I have been involved in our community in a variety of ways. These include everything from being a Girl Scout leader for my daughters' troop and volunteering with their school's PTA to throwing my hat in the ring and running for Reno City Council in 2012. I consistently participate in CANstruction, a food-raiser for the Food Bank of Northern Nevada, and help with the AGC's Career Day. I also participated in the Reno Citizen's Institute to learn about City government and services. I am currently involved in AGC's Women in Construction committee and sit on the Design Review Committee for the Saddlehorn Homeowner's Association.

Please list the name and phone number of any personal references that we may contact.
