### **SUMMARY**

This staff report requests the Board to accept New West Distributing Company's donation of a 2005 Utility Trailer (VIN # 1HHDMT3215M000140) to the Washoe County Emergency Management Division. (All Commission Districts) FOR POSSIBLE ACTION

**Washoe County Strategic Objective supported by this item:** Support a Thriving Community

### **PREVIOUS ACTION**

None

### **BACKGROUND**

New West Distributing Company contacted Truckee Meadows Fire and Rescue (TMFR) to determine interest in accepting two large utility trailers by way of donation. The current fair market value of the 2005 Utility Trailer (VIN# 1HHDMT3215M000140) is \$500.00, the cost that the original owner would have sold them at. TMFR only needed one trailer, therefore TMFR's Fire Chief contacted the Washoe County Emergency Manager to see if Emergency Management was interested in one of the trailers. After TMFR's Mechanics inspected the trailers, they determined they are mechanically sound. Staff proposes to use them to cache disaster supplies or to be used to bring supplies to a large incident.

### **FISCAL IMPACT**

There is no fiscal impact with this donation, as we are receiving goods in kind and will be used in support of Washoe County Emergency Management Division.
