### **PREVIOUS ACTION**

None.

### **BACKGROUND**

VIN: 1G9FC1220J1061002

Estimated value: \$20,000.00

The donated airboat will allow access into waterways not navigable by current search and rescue vessels. Such areas include Swan Lake, Silver Lake, Virginia Lake and marshland areas that would otherwise foul the propulsion systems of conventional propeller driven or jet driven system. This boat has previously been borrowed for use during the Reno Air Races on Swan Lake for the purpose of response to a downed aircraft in Swan Lake. In addition, the airboat is capable of traveling on top of frozen waterways on ice that is not thick enough to sustain the weight of a person.

### **FISCAL IMPACT**

Insurance, maintenance and repairs of the airboat and trailer will be the responsibility of the WCSO and absorbed by the existing annual budget.
