BACKGROUND

The Aging and Disability Services Division awards annual Nutrition Services Incentive Program (NSIP) funds to the Washoe County Human Services Agency's Senior Services Division in support of food purchases for the senior nutrition program. The funding from the U.S. Department of Health and Human Services is pass-through funding from the Aging and Disability Services Division that has been the foundation to the Agency's senior nutrition program for many years.

The Human Services Agency is requesting the Board accept a subaward amendment from the State of Nevada, Aging and Disability Services Division (ADSD) to supplement food costs for the Older Americans Act Title III congregate and home-delivered meal programs which address the food and nutrition needs of seniors.

The Older Americans Act (OAA) Title III-C Nutrition Services Program (NSP)—plays an important role in the health of older adults that participate in the program. Specifically, the purposes of the NSP are to (1) reduce hunger and food insecurity; (2) promote socialization of older individuals; and (3) promote the health and well-being of older individuals by helping them access services that encourage proper nutrition, prevent disease, and promote health.

The Agency received the Notice of Subaward for this grant on April 20, 2026, with an effective date of October 1, 2025; therefore, the request to accept this award is retroactive.

GRANT AWARD SUMMARY

Project/Program Name: FFY26 Nutrition Services Incentive Program (NSIP)

Scope of the Project: The Human Services Agency has received Federal grant funding through the State of Nevada for the Nutrition Incentive Services Program (NSIP) for the past twenty years. The funding is authorized by Section 311 of the Older

Americans Act (OAA) to support the OAA congregate and home-delivered nutrition programs by providing an incentive to serve more meals. The State of Nevada, Aging and Disability Services Division (ADSD) receives funds directly and is encouraged to distribute funding equitably across all nutrition service providers. The grant is an important component of the Agency's nutrition program funding, offsetting the costs of providing both home delivered and congregate meals for seniors in Washoe County.

Benefit to Washoe County Residents: The NSIP program will benefit Washoe County residents by providing additional funds to support food purchases necessary to operate the Congregate and Home Delivered Meal programs that provide daily nutritious meals to seniors.
