10. Adjournment.

Possible Changes to Agenda Order and Timing: Items on this agenda may be taken out of order, combined with other items, removed from the agenda, or moved to the agenda of a later meeting. The Consent section is a single agenda item and is considered as a block and will not be read aloud. Items on this agenda may also be moved to or from the consent section. Items not voted on in the Consent section may also be voted on in a separate block or blocks. Items designated for a specified time will not be heard prior to the stated time, but may be heard later. There will be only one period of public comment on any block vote. Any public comment made during that period may pertain to any of the items being voted on in the block, but there will not be separate public comment periods for each item within the block.

Location. This meeting will be held at the physical location designated on this agenda, but one or more of the Board Members and/or Staff may attend and participate by a remote technology system. Members of the public wishing to attend the meeting may do so at the designated physical location or may otherwise participate as stated in the Public Comment section. For the remainder of the agenda, public comment emails will only be heard during items that are not marked FOR POSSIBLE ACTION. All public comment is limited to three minutes per person. Unused time may not be reserved by the speaker nor allocated to another speaker.

During the general public comment periods at the beginning and end of the meeting, speakers may address any matter either on or off the agenda. Items voted on in the Consent section or in a separate block or blocks, shall have a single public comment period per block, and public comment will only be heard about the specific items being considered by the Commission in the block. Members of the public who wish to share documents or make a brief presentation within their public comment period must provide ten (10) printed copies of each document. Please note that USB drives or any other digital media will not be accepted due to the risk of introducing viruses or malicious code, which could potentially compromise the County's systems.

Members of the public may also submit comments by mail to NNPH at 1001 E. Ninth St., Reno, NV 89512 or

emailed to AQMDAdmin@nnph.org. NNPH will make reasonable efforts to include all such comments received by 4:00 pm one working day prior to the meeting in the record. Mail and emailed comments will not be read by the Clerk but will be entered into the record.

Responses to Public Comments: The Air Pollution Control Hearing Board can only deliberate or take action on a matter if it has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Air Pollution Control Hearing Board. However, responses from the Air Pollution Control Hearing Board members to specific items presented during public comment, which are not listed as agenda items could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Air Pollution Control Hearing Board will consider, Board members may choose not to respond to public comments, except to correct factual inaccuracies, ask for Northern Nevada Public Health staff action or to ask that a matter be listed on a future agenda. The Air Pollution Control Hearing Board may do this either during the public comment item or during the following item: "Board Comment – Hearing Board Member's announcements, reports and updates, request for information or topics for future agendas. (No discussion among Board Members will take place on the item)"
