Subject: VOLUNTEER APPLICATION: Animal Services Advisory Board

Application for Animal Services Advisory Board

Additional Information:

Firstly - As much as I have tried, I cannot get the correct dates inserted in my on-line profile. The correct dates for the first entry, Washoe County Animal Control Board are 2005-January 2018; for the second entry, Challenger Learning Center, 2001-Present; for the third entry, Sparks Heritage Museum, 2006-Present; for the fourth entry, Rockville Animal Control Board, 1979-1984; and for the fifth entry, Reno Animal Control Advisory Board, 1995-2000. I am applying for membership on the Washoe County Animal Control Advisory Board because of my interest in community animal control issues as I have demonstrated by my past volunteer activities in Montgomery County, Maryland, and, locally, in Reno and Washoe county as illustrated in my volunteer history above. I believe that I would bring a wealth of knowledge, expertise, and experience in community animal control issues to the Board's review and deliberations regarding issues presented to it.
