BACKGROUND

Regional planning within Washoe County is regulated by NRS Sections 278.026 through 278.029. The Truckee Meadows Regional Planning Agency is intended to support comprehensive and innovative approaches for regional economic development and regional planning within Washoe County, to include the Cities of Reno and Sparks. In addition, TMRPA is intended to facilitate land-use, infrastructure provisions, and resource management conversations and decisions among the three jurisdictions and with other public and private decision makers.

NRS 278.0264(7) specifically provides that the local governments represented on the Regional Planning Governing Board (RPGGB): Washoe County, City of Reno, and City of Sparks, shall enter into an agreement to share the costs associated with regional planning and the TMRPA. The current interlocal agreement is included as Attachment A to this staff report. The cost sharing ratio outlined within the agreement for regional planning funding is 30% each for Washoe County and the City of Sparks, and 40% for the City of Reno (based on the number of representatives from each jurisdiction on the RPGGB).

On February 11, 2021, the RPGGB approved the Fiscal Year 2021-2022 jurisdictional allocations for the TMRPA budget (see Attachment B). Washoe County's 30% share of this funding is \$248,164.

FISCAL IMPACT

Washoe County's share of the TMRPA operating costs for FY 2021-2022 is \$248,164 and will be paid in quarterly installments starting on July 1, 2021. Budget authority for FY22 quarterly installments reside in TM Regional Planning (180280), Payments to Other Agencies (710400).

RECOMMENDATION

The total amount will be paid to TMRPA in quarterly installments with the first occurring on July 1, 2021.
