### **2021/2022 Encroachment/Excavation Repair Project for Truckee Meadows**

THIS AGREEMENT (also herein referred to as "Contract"), is made and entered into this \_\_\_\_\_ day of \_\_\_\_\_, 20\_\_\_\_, by and between Washoe County, a political subdivision of the State of Nevada, acting through the Washoe County Commissioners hereinafter called "OWNER" and \_\_\_\_\_, a General Contractor, Nevada State License No. \_\_\_\_\_ hereinafter called the "CONTRACTOR".

#### WITNESSETH:

That the OWNER and the CONTRACTOR, for the consideration hereinafter named, agree as follows:

#### **Article 1. Scope of Work**

The Contractor shall furnish all of the materials and perform all of the Work described in the Specifications entitled “**2021/2022 Encroachment/Excavation Repair Project for Truckee Meadows**”, prepared by the Department of Community Services, which is incorporated herein by reference as one of the Contract Documents identified in Article 7.

#### **Article 2. Time of Completion**

The Owner will provide detailed listings of the locations where street patching is required on a periodic basis commencing after the “Notice to Proceed” has been presented to the Contractor. The Contractor will have fifteen (15) calendar days after receipt of each such period listing in which to accomplish the work contained on that listing. The Contractor shall notify the Owner 5 (five) days in advance of the scheduled time of repairs. The quantity of work shown on each patch listing will be a quantity that can be practically accomplished within the fifteen (15) calendar day period. The Contractor will be paid for work completed on a list after submission of a pay request, subject to agreement by the County upon all quantities submitted. The contract will terminate on December 31, 2022. Should the Contractor fail or refuse to complete the work within that time, along with any authorized extensions of time, there shall be deducted from monies due it, not as a penalty, but as liquidated damages, the sum of Five Hundred Dollars (\$500.00) for each additional calendar day required to complete the work.

#### **Article 3. Progress Payments**

On or about the first of each month, the Contractor shall make and certify an estimate of the amount and fair value of the work done, and may apply for partial payment therefore. The Contractor shall revise the estimate as the Owner may direct. Whenever the monthly estimate, after approval, shows that the value of the work completed during the previous month exceeds one percent (1%) of the total contract price, the Owner will process a pay request. The Owner will thereupon cause the amount therein to be paid to the Contractor. Such certification of work performed will authorize payment in an amount equal to the value of the Work completed less any sums that may be retained by the Owner.

Pursuant to NRS 338.515, Owner shall retain 5 percent (5%) of such estimated value of the Work done as part security for the fulfillment of the Contract until fifty percent (50%) of the Work required by the contract has been performed. When fifty percent (50%) of the Work has been completed to the satisfaction of the Owner, one-half (1/2) of the amount retained by Owner will be paid to Contractor. Thereafter, if in the opinion of the Owner, satisfactory progress is being made, Owner

shall retain up to two and a half percent (2.5%) from monthly progress payments as part security for the fulfillment of the Contract until the Work required by the contract has been completed. No partial payment shall be made when, in the judgment of the Owner, the Work is not being diligently prosecuted by the Contractor.

The amount of payments withheld as provided herein shall be retained for a period of thirty (30) days from the date of filing of the Notice of Completion.

Owner shall pay to Contractor at the end of each quarter this Agreement is in effect, interest for the quarter on the amount withheld at a rate to be determined by Owner in accordance with NRS 338.515. If the amount due the Contractor pursuant to this provision for any quarter is less than Five Hundred Dollars (\$500.00), the Owner may withhold the interest until: (1) the end of a subsequent quarter after which the amount of interest due is Five Hundred Dollars (\$500.00) or more; (2) the end of the fourth consecutive quarter for which no interest has been paid to the Contractor; or (3) the final payment is due under the Agreement, whichever occurs first.

Contractor shall pay the Subcontractors progress payments and pay interest on amounts retained from said progress payments in accordance with the provisions of NRS 338.510 through NRS 338.535.

In accordance with NRS 244.320 and NRS 354.626, if, in any subsequent fiscal year, the County determines not to appropriate or budget funds for the purposes specified in this Contract, or the County determines that it is required to amend previous appropriations or budgeted amounts to eliminate or reduce funding the purposes in this Contract, this Contract will be terminated without penalty, charge, or sanction.

#### **Article 4. Acceptance and Final Payment**

As soon as practical following the completion of the Work, the Contractor shall make request by letter to the Owner for a final inspection and acceptance of the Work, and if, in Owner's opinion, all provisions of the Specifications and Agreement have been satisfied, Owner will cause a Notice of Completion to be filed with the County Recorder.

At the expiration of thirty (30) calendar days following the filing of the Notice of Completion, final payment shall be made as follows: After deducting all previous payments from the total value of the work, the remaining balance shall be paid, providing that no claims, liens or outstanding debts have been filed against the work, and the contract is not subject to arbitration or litigation between parties. Notwithstanding the expiration of thirty (30) calendar days, the Contractor, upon demand by the Owner, shall submit evidence satisfactory to the Owner that all payrolls, materials, bills, and other indebtedness relating to the work performed, have been paid before final payment is made.

#### **Article 5. The Contract Sum**

The Owner shall pay the Contractor, as full compensation for furnishing all materials and labor and doing all the Work in strict accordance with the Specifications and to the satisfaction of the Owner, the amount of **Two Hundred Thirty-One Thousand dollars (\$231,000.00)**. This sum is to be paid in the manner and under the conditions hereinbefore specified.

#### **Article 6. Performance and Payment Bonds**

The Contractor agrees that it will before this Contract becomes effective, furnish the Owner a Faithful

Performance Bond and a Labor and Material Payment Bond, furnished by a company or companies acceptable to the Owner, each in an amount equal to one hundred percent (100%) of the total Contract sum.

The Faithful Performance Bond shall be conditioned that the Work under the Contract shall be performed in accordance with the Specifications and terms of this Agreement and shall guarantee the Work for a period of two (2) years.
