AGENDA ITEM # _____

BACKGROUND

The Regional Medical Examiner's Office provides forensic autopsies, medical examinations, and medicolegal consultations to twenty agencies outside of Washoe County. In 2008, formal Interlocal Agreements were created between Washoe County and each of these counties/agencies. The agreements were renewed in 2014 and 2017. In March 2017, the Board approved a new fee schedule for the services covered by these agreements. The agreement is retroactively effective on July 1, 2018 due to the time necessary for all parties to review the agreement and agree to terms.

FISCAL IMPACT

The Regional Medical Examiner's Office anticipates revenues generated by this interlocal agreement to be approximately \$180,000 in Fiscal Year 2019 which is included in the adopted FY19 budget. Revenues received from this agency will be deposited to C153010-460341|Medical Examiner Fees, C153010-460318|Toxicology Fees, and C153010-485127|PS Reimbursements.

RECOMMENDATION

It is recommended that the Board of County Commissioners approve the agreement between Washoe County and Carson City for forensic pathology services provided by the Washoe County Regional Medical Examiner's Office for a period of up to two years effective retroactively on July 1, 2018.

POSSIBLE MOTION

Should the Board agree with staff's recommendation, a possible motion would be: "Move to approve agreement between Washoe County and Carson City for forensic pathology services provided by the Washoe County Regional Medical Examiner's Office for a period of up to two years effective retroactively on July 1, 2018."
