

FY25 Q2 Strategic Plan Results

Rayona LaVoie, Director of Programs and Projects

Office of the District Health Officer

Why Performance Management?

- Best practice in public health
- Accountability to the community we serve
- Enhances Efficiency
- Data-driven Decision Making
- Promotes Continuous Improvement
- Increases Transparency

What is ClearPoint?

ClearPoint houses NNPH's strategic plan and our progress toward achieving these goals

- We track quarterly and year-over-year progress
- ~ 3 years of data in the system

Reporting frequency

- Annual strategic planning retreat w/DBOH
- Quarterly DBOH updates
- Annual check-in with division directors (minor goal revisions)
- More significant strategic plan review every 3 years
