Responses to Public Comments

The Committee can deliberate or take action only if a matter has been listed on the agenda properly posted prior to the meeting. During the Public Comment period, speakers may address matters listed or not listed on the published agenda. The Open Meeting Law does not expressly prohibit responses to public comments by the Committee. However, responses from the Committee to unlisted public comment topics could become deliberation on a matter without notice to the public. To ensure the public has notice of all matters the Committee will consider, the Committee may choose not to respond to public comments, except to correct factual inaccuracies, ask for County staff action, or to ask that a matter be listed on a future agenda. The Committee may do this either during the “Public Comment” item or “Committee/Staff announcements, requests for information, topics for future agendas and statements relating to items not on the agenda” item.

Forum Restrictions and Orderly Conduct of Business

The presiding officer of the Committee may order the removal of any person whose statement or other conduct disrupts the orderly, efficient, or safe conduct of the meeting. Warnings against disruptive comments or behavior may or may not be given prior to removal. The viewpoint of a speaker will not be restricted, but reasonable restrictions may be imposed upon the time, place, and manner of speech. Irrelevant and unduly repetitious statements and personal attacks which antagonize or incite others are examples of speech that may be reasonably limited.
