AGENDA ITEM # _____

Washoe County Strategic Objective supported by this item: Safe, secure and healthy communities.

PREVIOUS ACTION

There has been no previous action regarding this item.

BACKGROUND

The Washoe County Sheriff Office (WCSO) detention facility is located at 911 Parr Blvd. The existing phone style visitation areas between inmates and visitors creates unneeded risk and extra duties for the WCSO staff. Replacing the current phone style with video conferencing and updated technology will allow for a similar experience for inmates and visitors, while at the same time providing a more secure environment and reduced workload for WCSO staff. The conversion of the visitation area into meeting rooms allows for medical professionals, attorneys, and other visiting professionals to have safe and secure conversations with inmates. The meeting rooms will also allow for multiple meetings with professionals and inmates to occur simultaneously.

FISCAL IMPACT

There is no fiscal impact with the rejection of bids.

RECOMMENDATION

It is recommended that the Board of County Commissioners reject bids for the Washoe County Sheriff Office Visitation Room Conversion Project pursuant to NRS 338.1385(6)(d).
