## Application for Animal Services Advisory Board

### Additional Information:

I am applying because I have a passion for animals. I have had pets as far back as I can remember as a child. Since being on my own as an adult I have had a dog. I feel for them because they do not have a way to communicate with humans. I treat my dog like she is my child. I want to be able to share this with a pet owners and have the feel the same way.
