PREVIOUS ACTION

No previous action taken.

BACKGROUND

Retroactive approval is requested due to the State of Nevada, Department of Health and Human Services, Division of Welfare and Supportive Services issuing a Notice of Subgrant Award (NOSA) on April 9, 2019.

The Temporary Assistance to Needy Families (TANF) is a Federal Block Grant that replaced the Title IV-A Emergency Assistance Program. From 1994 through 2003, Washoe County received approximately \$1,800,000 in grant funds per year of TANF

funding from the State Welfare Division of the Children's Division. These funds were paid to support services provided to children who were at risk of child abuse and neglect.

At the conclusion of the Fiscal Year 2008-2009 the State elected to retain TANF funding at the State level rather than pass the funds down to the Counties and allowed the Intrastate Interlocal Agreement between the Department of Health and Human Services, Division of Welfare and Supportive Services, and Washoe County to expire. The loss of TANF funding required Washoe County to use Child Welfare general funds to continue services allowable and previously funded under the TANF sub-award. In fiscal year 18/19 the State began conversations with the counties to re-instate TANF funds that were previously withdrawn. The sub-award before the Board for consideration is a result of those conversation and is intended to re-instate TANF funding for Emergency Assistance allowable services such as Child Welfare intake staff and emergency shelter assistance to TANF eligible families.
