Persons may not allocate unused time to other speakers. During the general public comment periods at the beginning and end of the meeting, speakers may address any matter, whether listed on the agenda or not. For the remainder of the agenda, public comment should be about the specific item being considered by the Board. Members of the public that wish to share documents or make a brief presentation within their public comment period must provide ten (10) printed copies of each document. Please note that USB drives or any other digital media will not be accepted due to the risk of introducing viruses or malicious code, which could potentially compromise the County’s systems.

Responses to Public Comment

The Regional Animal Services Advisory Board may deliberate or take action only if a matter has been listed on an agenda properly posted prior to the meeting. The Open Meeting Law does not expressly prohibit responses to public comments by board members. However, responses from board members to unlisted public comment topics could become deliberation on a matter without notice to the public. To avoid this situation and to ensure that the public has notice of all matters the Advisory Board will consider, members may choose not to respond to public comments, except to correct factual inaccuracies, ask for County staff action, or to ask that a matter be listed on a future agenda.
