# Washoe County Sheriff's Office
# Detention Services Unit

## Chief Deputy Jeff Clark

# Mission-

The Washoe County Sheriff's Office is dedicated to creating relationships with community providers in building a safe, healthy, positive, supportive relationship with those individuals who live in our community. In an effort to reduce recidivism through continuity in counseling, recovery, programming, mental health, well being, medical/mental health, and educational care for those in custody and upon transition when released.
