Subject: VOLUNTEER APPLICATION: Animal Services Advisory Board

Application for Animal Services Advisory Board

Additional Information:

I have enjoyed my time on the Animal Services Advisory Board, and I have a positive working relationship with WCRAS. I believe my perspective as the Executive Director of an animal shelter is helpful and important to the Advisory Board. I continue to be passionate, and knowledgeable, about the Washoe County community and animal welfare in northern Nevada. I was born and raised in Reno, Nevada, and am a third generation Nevadan! I have been heavily involved in the shelter pet overpopulation and animal welfare movements for the last 10+ years. Additionally, my background as a lawyer working closely with local government entities make me well-suited for this role. I also have financial and business acumen. I strongly believe in common sense approaches, collaboration and reasonable solutions. I enjoy meeting with groups of people with different perspectives, and listening to find workable solutions. I appreciate your consideration.
