RE: Letter of Interest

Dear Board of Commissioners:

My name is Jonathon R. Haley and I'm interested in filing the vacant seat for Nevada's 30th Assembly District. I believe that I am the best candidate for this position for the following reasons. I have a bachelor's degree in Spanish & Political Science from Alma College and a Master's of Social Work from the University of Nevada. I'm currently employed by Washoe County Human Services as a social worker, investigating allegations of child abuse or neglect that occur in our community.

As a first responder, I get called to the scene when there is an emergency involving children, working cooperatively with our brave women and men from local law enforcement. Through my role, I see the needs in my district for mental health services, affordable housing, improved public transportation, improved K-12 education, and access to food and clothing. These are just a handful of issues that I would like to address at the state level, bringing these vital resources back to our community.

According to a October 31, 2018 report by *Nevada Current*, Nevada ranks 51st in the nation for access to mental health resources. Furthermore, the Nevada Division of Public and Behavioral Health Office of Suicide Prevention reported that Nevada has the 11th highest suicide rate in the nation. These numbers are unacceptable and I believe that the Silver State can do better. I will introduce legislation to combat this epidemic in our community.

Just in my zip code alone, 95% of housing units are already occupied. The median home value in Washoe County is \$367K and the median rental cost is \$1,750 a month. Families making minimum wage are being priced out of the market forcing families to move in together to share housing costs or become homeless. The Washoe County School District (WCSD) identified over 3,500 children living in motels, homeless shelters, domestic violence shelters, Kids Kottage, and doubled up with other families. In 2017, WCSD had a graduation rate of 84% according to the Nevada Department of Education. 16% of Washoe County's youth are being left behind. If chosen for this seat, I will introduce legislation to improve funding for Washoe County schools with a goal of raising the graduation rate to 95% within the next ten years.

For two years I worked at Catholic Charities in Reno in the immigration assistance and food pantry programs. I saw the number of families needing food assistance rising as cost of living increased without an increase in wages. As a new legislator, I will propose an increase in SNAP benefits and the Nevada minimum wage so that any Nevadan who works full time does not struggle to make ends meet. I'm a first generation college student and the first in my family to have an advanced degree. I personally understand the stress and financial burden of going to college. I'm still paying off my student loans. I support college access programs like TRiO, Gear Up and First in the Pack. As a member of the Nevada Legislature I will vote expand these programs for Nevada's youth.

I'm a firm believer in the National Association of Social Worker's Code of Ethics. We believe in service, social justice, dignity and worth of the person, importance of human relationships integrity and competence. Social workers provide essential services to our community and I believe that my first job as a social worker is to be an advocate for my clients. Nevada Assembly Majority Leader, Teresa Benitez-Thompson is a social worker and the epitome of dedicated public servant. I will use my training as a social worker to be an advocate for my community.

Overall, it would be an honor and the fulfillment of a lifetime goal to be chosen as the next member of the Nevada Assembly. I will be an advocate for my community and fight for the rights of all Nevadans. Go Pack!

Sincerely,

Jonathon R. Haley
