RE: Request to initiate proceedings to amend Washoe County Code Chapter 65

Dear Ms. Galassini,

In accordance with Washoe County Code (WCC) Section 2.030, please submit this correspondence to the Board of County Commissioners. I request that proceedings be initiated to amend WCC Chapter 65 (Safety Provisions) to create the necessary code language related to the proposed changes recommended by the County Safety Committee.

Amendments to this chapter may include but are not limited to: repealing outdated sections related to the County Risk Manager, transferring duties to Risk Management; expanding settlement authority of Risk Management; ensuring provisions related to the county's safety program conform with Nevada Revised Statutes (NRS); and updating provisions related to the county safety committee.

Included is a staff report seeking the Board's approval to formally initiate the amendment and provide direction to submit the request to the District Attorney to prepare a code amendment.

Respectfully,

Eric Brown
County Manager
