PURPOSE

This MOU sets forth responsibilities with respect to the pass-through grant funds of the HSGP. In order to be compliant with FEMA and DHS, the Parties, must agree to the grant pass-through requirements set forth in each year's grant guidance and agree to the recommendations of the NRAC, Finance Committee, NCHS, and the SAA.

The NOFO provides that each State may retain more than 20% of the SHSP funding with the written consent of the local unit of government for expenditures made by the State on behalf of the local unit of government.

Consent to this MOU is a condition of receiving HSGP funding.

Incorporated herein contains DHS' Core Capabilities which are a requirement for the purposes of HSGP grant funding. All projects must align with the core capabilities and the target capabilities and must have the necessary relationship deemed compliant by the SAA and/or DHS/FEMA and incorporated herein contains the ranked list of recommended projects for funding, as approved by the Nevada Commission on Homeland Security.

TIME SENSITIVE FUNDING

Federal law mandates that unspent federal funds be returned to the federal government at the end of the grant performance period. In the event that unspent funds exist and there is insufficient time in the grant performance period to reconvene the NCHS and Finance Committee, the SAA in its sole discretion, may reobligate grant funding within the scope of the approved Investment Justification. In the event that the SAA reobligates time-sensitive funding, the reobligation of funds will be placed as an informational item on the agenda of the next regularly scheduled meeting of the NCHS.
