Debt Capacity

Response to NRS 350.013 1(c):

(2) *A discussion of its capacity to incur authorized and proposed future general obligation debt without exceeding the applicable debt limit.*

The Charter for the City of Reno limits the aggregate principal amount of the City's general obligation debt to 15% of the City's total reported assessed valuation. Based upon the 2024 reported assessed valuation of \$14,653,830,953 (including the assessed valuation of the Reno Increment District, the Reno Redevelopment Agency #1 and the Reno Redevelopment Agency #2 in the amount of \$791,450,292), the City's debt limit for general obligations is \$1,978,807,924. In addition to the City's legal debt limit as a percentage of its total assessed value, the City's ability to issue future property tax supported debt is also constrained by constitutional and statutory limits of total property taxes that may be levied.

The following table illustrates the City's general obligation statutory debt limitation.

**STATUTORY DEBT LIMITATION
City of Reno, Nevada**

Statutory Debt Limitation ^{1/}	\$ 1,978,807,924

<i>Plus: Proposed Sewer Bonds</i>	<i>70,000,000</i>
Total Outstanding and Proposed General Obligation Indebtedness	218,270,989
Additional Statutory Debt Limitation	\$ 1,760,536,935

1/ Based upon the 2023 reported assessed valuation of \$10,916,491,722 (including the assessed valuation of the Reno Increment District, the Reno Redevelopment Agency #1 and the Reno Redevelopment Agency #2 in the amount of \$463,159,602).

2/ Secured by assessments against property improved; the City's General Fund and taxing power are contingently liable if collections of assessments are insufficient.
