### SUMMARY

This item is presented seeking approval to accept the grant award from the Department of Justice, Bureau of Justice Assistance. Per county policy, the Washoe County Board of County Commissioners must accept grant awards and direct the Finance Department to make the necessary budget amendments.

The Bureau of Justice Assistance (BJA) awarded the Washoe County Sheriff's Office, Forensic Science Division \$292,493.00 to fund the FY24 DNA Capacity Enhancement and Backlog Reduction Program. The Washoe County Sheriff's Office, Forensic Science Division will utilize this grant to increase the number of crime scene samples entered into the Combined DNA Indexing System (CODIS) through a reduction in turnaround times and backlog of cases. This goal will be accomplished through the utilization of grant funds for overtime, outsourcing, and additional interpretation software licenses to complete DNA analysis of criminal cases, and to assist in maintaining our laboratory's access to CODIS through funding accreditation requirements for continued education, instrument maintenance via service contracts, and an external DNA audit.

Washoe County Strategic Objective supported by this item: Meet the needs of our growing community.
