SUMMARY

Title IV-B funding primarily supports formula grants to state, tribal, and territorial child welfare agencies for provision of services to children and their families. Additional funds are provided to courts to improve handling of child abuse and neglect proceedings. Finally, some Title IV-B dollars are provided on a competitive basis to various public or private entities for support of research, evaluation, training, or other grants intended to improve or expand provision of child welfare-related services. Washoe County Human Services Agency (WCHSA) was awarded a supplemental grant in the amount of [\$62,500; \$20,833 county match] for FY21.

The Agency would like to recommend acceptance of a FY21 Supplemental IV-B1 Funding subgrant award from the State of Nevada Department of Health and Human Services, Division of Child and Family Services (DCFS) in the amount of [\$62,500; \$20,833 county match] retroactive from July 1, 2020 to September 30, 2020 to provide for staffing at OUR Place Family Shelter where placement of families for emergency housing will support keeping families together.

Washoe County Strategic Objective supported by this item: Safe, Secure and Healthy Communities

PREVIOUS ACTION

On September 24, 2019 the Board of County Commissioners approved item #7.J.2, the Department's request to accept \$62,004 in Title IV-B funds from the State of Nevada, Division of Child and Family Services retroactively from July 1, 2019 to June 30, 2020.

On August 31, 2020 the Board of County Commissioners approved item #5.G.5, the Department's request to accept \$82,028 in Title IV-B1 funds from the State of Nevada Division of Child and Family Services retroactively from July 1, 2020 to June 30, 2021.

BACKGROUND

Title IV-B Subpart 1 of the Social Security Act, also called the Stephanie Tubbs Jones Child Welfare Services Program, primarily supports formula grants to state, tribal, and territorial child welfare agencies for provision of services to children and their families. Additional funds are provided to courts to improve handling of child abuse and neglect proceedings. Finally, some Title IV-B dollars are provided on a competitive basis to various public or private entities for support of research, evaluation, training, or other grants intended to improve or expand provision of child welfare-related services.

This Title IV-B1 funding has been awarded to supplement the annual federal Stephanie Tubbs Jones Child Welfare Services Program. The funding will be used to support staffing at OUR Place Family Shelter. OUR Place is currently staffed by a partnership between Washoe County and The Reno Initiative for Shelter & Equality (RISE). The shelter provides temporary housing for homeless families as part of our Foster Care prevention activities. If not for the shelter, the families would be homeless and their children would potentially come in to care. Due to the pandemic many unbudgeted costs to appropriately staff the shelter have been incurred. 10 families have needed quarantine at WellCare and RISE staff have also been exposed. Additional staffing has been required to cover for those in mandated 14 day quarantine and additional administrative costs for RISE.

The Agency received the Notice of Award for this sub-grant on September 2, 2020 with an effective date of July 1, 2020; therefore, the request to accept this award is retroactive.
