None

Please tell us about yourself

Why are you interested in being part of this board, commission, or academy?

I recently joined as a new medical director for Reno Fire Department, and am Director of EMS for Northern Nevada Health System. As such, I have a direct interest in the continual development of our regional EMS system, and hope to provide valuable insight both as a ED physician, prehospital practitioner, and medical director.

How do you feel you are qualified to serve on this board? Include any past experience, as well as serving on other board/commissions.

I hold dual ABEM board certification in Emergency Medicine and Emergency Medical Services. I am both a practicing ED physician locally in the Northern system, as well as a practicing EMS physician. I am currently involved regionally with multi-agency and EMS-hospital integration projects (for example: prehospital blood product administration), and am involved with multi-agency integration such as through dispatch systems. I have also been an EMS practitioner in multiple states at multiple levels of certification, so I can provide field perspectives while also simultaneously understanding high level system and regional issues.
