

MEMORANDUM

May 24, 2021

To: Board of Fire Commissioners
Truckee Meadows Fire Protection District

Fm: Charles A. Moore, Fire Chief

Re: **Chief's Monthly Report for June 2021**

Staff is nearing completion of a draft Strategic Plan. I will agenda that item on the July meeting for a presentation.

As the District considers its response to growth, our next planning initiative is a Master Plan. I want to have a discussion concerning topics and issues for the plan. These items are:

- Revised standards of cover. (This document will serve as the baseline for future decisions about service levels).
- Future stations and facilities.
- Staffing levels, to include all divisions - emergency operations, fire prevention, wildland and fuels, administration and the future of a volunteer resources.
- Regional issues, including the I-80 corridor, mutual and automatic aid, and regionalization of services in general.
- Expansion of the District boundary and services north of Township 22.
- Economic forecast and financial pro-forma.
