

# Truckee Meadows Fire & Rescue Warm Springs/Rural CAB

## April 2026 at-a-glance

### February Incident Total: 20

Each new incident is assigned a unique identifier. The statistics below reflect the number of incidents TMFR responded to within your CAB (regardless of jurisdiction).

Incident Count	Daily Average
20	0.71

*Unit Responses	Daily Average
43	1.54

\*Many incidents require multiple resources to respond to the scene. **Unit Responses** reflects every unit response to an incident.

*Example: A fire incident dispatches 3 Engines, 1 Ladder Truck, 1 Ambulance, and 2 Battalion Chiefs = 7 unit response.*

## Safety Tips & Updates

With the recent time change, “spring forward,” it is a good time to address your smoke alarms.

- Change the batteries in every smoke alarm and carbon monoxide (CO) detector in your home.
- Test smoke alarms monthly by pushing the test button and hearing a chirp.
- Make sure you have a working smoke alarm in every bedroom.
- Replace smoke alarms every ten years.

These and other safety tips are available on our website, Facebook, or X. Also, visit [www.nfpa.org/education-and-research/home-fire-safety](http://www.nfpa.org/education-and-research/home-fire-safety) for more information on how you can be fire safe.
