All orders are subject to approval of Seller's credit department at time of shipment. Seller explicitly retains the right, in its sole discretion, to ship in lots. Pro-rata payments are due and payable on partial shipments ("shipment in lots") as made and invoiced. This statement is accurate unless other payment terms are indicated in the proposal. If shipments are delayed due to the actions of Buyer or due to other conditions beyond Seller's control, payment or pro rata payment, as the case may be, are due and payable on invoices issued on or after the date Seller is prepared to make shipment. If performance of work hereunder is delayed by Buyer, pro rata payments are due and payable on invoices issued when or at any time after the delay begins. Product(s) held for Buyer shall be at Buyer's risk and expense. Notwithstanding anything to the contrary herein, Seller may require full or partial payment in advance, if in the judgment of Seller, the financial condition of Buyer at any time prior to shipment so warrants. In the event of failure of Buyer to make payments for any installment of goods when due or Buyer's breach of any other provision of this Agreement, Seller may withhold further delivery until the default has been remedied or may require that subsequent deliveries be paid for in cash upon delivery. On overdue accounts, interest shall be charged and payable on the amount of the unpaid balance at the lower of, one and one-half percent (1 1/2%) per month, or the highest rate of interest then permitted by law.

To secure payment of all amounts due Seller hereunder, Buyer hereby grants Seller a security interest in any and all Products, Parts, accessories and equipment (and in all proceeds and products of the foregoing) which may be sold, licensed and/or furnished by Seller to Buyer hereunder.

The amount of any such taxes or charges applicable to the sale, use, exportation or importation of the Products to be sold hereunder shall be paid separately by Buyer, or Buyer shall provide Seller a proper exemption certificate in respect thereof. All export and import permits required shall be furnished by Buyer.

5) SHIPMENTS: Shipping dates herein are approximate and are based upon estimated factory work schedules currently in effect. They are subject to timely receipt of all necessary materials and supplies from Seller's vendors, all necessary information and data from Buyer, priority and scheduling requirements, and other contingencies beyond Seller's control. The time within which shipment shall be made hereunder shall include such additional time from the date herein specified as may be required by reason of non-availability or shortage of materials, supplies, labor, fuel, power or data, or by strike, flood, riot, fire, government regulation, explosion, terrorism, war or other casualty or cause beyond the reasonable control of Seller. Seller will use its best efforts within a reasonably practicable period of time after the occurrence of such condition to notify Buyer of the nature of the occurrence and the estimated length of additional time necessary to full this order.

SELLER SHALL NOT IN ANY EVENT BE LIABLE FOR ANY LOSS, DAMAGES OR EXPENSES, INCLUDING, WITHOUT LIMITATION, CONSEQUENTIAL, SPECIAL OR INCIDENTAL DAMAGES, LOSS OF PROFITS OR REVENUES OR OTHERWISE, INCURRED OR SUFFERED BY BUYER OR BUYER'S CUSTOMERS AS A RESULT OF ANY DELAY IN SHIPMENT OR DELIVERY. Buyer specifically and explicitly agrees that it has no rights hereunder to claim force majeure as an exculpatory reason for any default on its part.

If any Product or Part delivered or required to be delivered by Seller to Buyer shall be defective, omitted, or otherwise nonconforming, Buyer must deliver a written notice to Seller within ten (10) days following such nonconforming delivery by Seller, specifying in such notice the particular defect, deficiency, omission, or nonconformity upon which Buyer is relying to justify rejection of delivery. Buyer hereby agrees that such ten (10) day period is a reasonable period of time after delivery within which to reject products. Within ten (10) business days following Seller's receipt of Buyer's written notice of rejection with respect to Products or Parts sold or licensed hereunder, Seller may notify Buyer in writing of Seller's intention to cure any such defective or nonconforming goods, and Seller shall have a reasonable period of time thereafter within which to make a conforming delivery or to otherwise correct or remedy the specific condition upon which Buyer is then relying in rejecting the Products or Parts. Future additional accessories or upgrade packages for the Product(s) are subject to warranty provisions in effect at the time of their purchase. Other goods, such as hard copy imaging devices and other "pass through" accessories, marketed by but not manufactured by Seller, are subject only to those warranty provisions as provided by said manufacturer. Warranty service during the applicable warranty period will be performed by the Seller's authorized Service Agent without charge to End-User during the normal business hours of Seller's authorized Service Agent.

Seller shall repair or replace, at its option, Seller manufactured Product(s) which prove to be defective during the warranty period that are returned to Seller. Spare Part(s) are warranted for ninety (90) days after shipment or for the remainder of the Product(s) warranty, whichever is longer.

Product(s) provided by Seller are designed for operation only with Seller provided software within UL, FDA, CSA, & VDE guidelines. Seller assumes no liability for any non-compliance with these guidelines or operational failures that may result from use of non-Seller provided software for purposes inconsistent with the intent of the Product(s), and this warranty does not cover such failures. This warranty shall not apply to Product(s) which have been subject to misuse, negligence, or accident or which have been repaired or altered in an unauthorized manner or used for purposes for which they were not designed. This warranty shall not apply to a situation where failure of Product(s) is due to a defect in plans or specifications supplied to Seller by Seller's approved Intermediary or End-User. The obligation of Seller under this warranty is limited to the repair or replacement of the defective Product(s) that Seller shall determine, to its satisfaction, to have been defective at the time of manufacture. Seller shall not be liable for any special, direct, indirect, incidental or consequential damages including claims for delay, loss of profits, or labor.

THE FOREGOING LIMITED WARRANTIES (1) ARE INAPPLICABLE IF BUYER (SELLER'S INTERMEDIARY OR END-USER), IN ANY UNAUTHORIZED MANNER, ALTERS OR TAMPERS WITH THE PRODUCT, AND (2) ARE APPLICABLE ONLY TO OPERATION OF THE PRODUCT IN STRICT CONFORMITY WITH SELLER'S DEVICE MASTER CONTROL LIST FOR SUCH PRODUCT, A COPY OF WHICH CAN BE SUPPLIED TO THE BUYER ON DEMAND. THE DURATION OF THE WARRANTY PERIOD SHALL NOT BE EXTENDED DUE TO REPAIRS OR DELIVERY OF REPLACEMENT PARTS THAT MAY INTERRUPT THE UP-TIME OF THE PRODUCT(S). THE FOREGOING LIMITED WARRANTIES WITH RESPECT TO PRODUCTS AND PARTS ARE EXCLUSIVE AND IN LIEU OF ANY AND ALL OTHER WARRANTIES OF QUALITY OR PERFORMANCE, EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION, ANY AND ALL WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR USE OR PURPOSE OR OTHERWISE. ALL SUCH WARRANTIES (OTHER THAN THOSE SPECIFICALLY SET FORTH ABOVE) ARE EXPRESSLY DISCLAIMED.

SELLER'S SOLE AND EXCLUSIVE LIABILITY HEREUNDER OR UNDER ANY PURCHASE ORDER SHALL BE TO REPAIR OR REPLACE EQUIPMENT, PARTS, OR PROGRAMS SPECIFICALLY HEREIN DESCRIBED AND WHICH HAVE BEEN SOLD, LICENSED OR FURNISHED BY SELLER HEREUNDER AND WHICH ARE FOUND TO BE DEFECTIVE WITHIN THE APPLICABLE WARRANTY PERIOD HEREINABOVE PROVIDED, OR, UPON FAILURE OF ANY SUCH REMEDY, TO REFUND TO BUYER THE PURCHASE PRICE OF THE EQUIPMENT, PART, OR PROGRAM WHICH IS THE BASIS OF ANY CLAIM BY BUYER OF LIABILITY AGAINST SELLER. IN NO EVENT SHALL SELLER OR ANY MANUFACTURER OR SUPPLIER OF EQUIPMENT OR PARTS BE LIABLE TO BUYER FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES, WHETHER PURSUANT TO CONTRACT, IN TORT, OR BASED UPON NEGLIGENCE OR STRICT LIABILITY, INCLUDING, WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS OR REVENUE, LOSS OF USE OF THE EQUIPMENT OR ANY ASSOCIATED EQUIPMENT USED BY BUYER IN CONNECTION THEREWITH, COSTS OF SUBSTITUTION OR REPLACEMENT OF EQUIPMENT, DIRECT AND INDIRECT COSTS OF ANY DELAY OR INABILITY TO OPERATE THE EQUIPMENT, OR OTHER DAMAGES SUFFERED BY BUYER OR ANY OF ITS CUSTOMERS.

12) REMEDIES: If Buyer shall fail to make payments in accordance with the prices and terms specified herein, or be delinquent in any other payment owing to Seller, or if Buyer's financial condition at any time does not, in Seller's judgment, justify continuance of work or shipments on the original terms of payment specified herein, Seller may, in addition to all other remedies, require payment in advance for any further work or shipments hereunder or may terminate this Agreement. In the event of bankruptcy or insolvency of Buyer or any proceedings brought by or against Buyer under the Bankruptcy or insolvency laws, Seller at its option may cancel any order that is outstanding from Buyer. Buyer acknowledges that any waiver on Seller's part of any one default in performance under this Agreement shall not be considered a waiver of any other such default.

13) PATENT AND COPYRIGHT INDEMNITY: Seller will defend and hold harmless Buyer from and against any claim that the equipment, other products, or programs sold, licensed, or furnished by Seller to Buyer infringe upon any patent or copyright issued to or acquired by any third party in accordance with any applicable federal or state statute, other than a claim pertaining to any process or product thereof, and Seller will promptly pay Buyer any and all costs, damages, and attorneys' fees and related costs awarded to such third party for damages as a result of any such infringement; provided that: (a) Buyer promptly notifies Seller in writing of any such claim or allegation upon which any such claim may arise, and in no event later than ten (10) days following Buyer's receipt of notification of such claim or allegation; (b) Buyer shall provide Seller with such documentation, declarations, testimony, information and assistance as Seller may reasonably request, from time to time, in connection with the defense and/or investigation of any such claim; (c) Buyer permits Seller to exercise complete and sole control over the defense and investigation of any such claim, of any counterclaim or cross-claim, and of any and all settlement negotiations and decisions with respect thereto; (d) Buyer has not, directly or indirectly, committed any such infringement, other than solely as a result of the use and operation of the equipment, products, and programs as instructed by Seller; and (e) Buyer fully cooperates with Seller in its preparation of its defense of any such claim. Seller shall not be liable for any costs or expenses incurred by Buyer in connection with any such claim unless such costs and expenses have been expressly approved in writing in advance by an authorized representative of Seller.

In the event any such claim of infringement is made, or in Seller's opinion and judgment likely to be made, Seller shall have the right, at its sole option and expense, to either procure for Buyer the right to continue using the product or program which is the subject of any such claim, or to replace the same so long as the replacement product or program shall not result in any such infringement. If Seller determines, in its sole opinion and judgment, that neither of the foregoing options are appropriate under the circumstances, Buyer shall, upon written request by Seller, return to Seller all such products and programs which are the subject of any such claim or potential claim, and Seller shall thereafter promptly remit to Buyer, in full and final satisfaction of all liability of Seller to Buyer with respect to such product and program, Buyer's un-depreciated net book value for such product plus reasonable transportation and delivery costs.

To the extent any such product, or any part thereof, becomes the subject of a claim of infringement of a patent or copyright issued to or obtained by any third person pursuant to any applicable federal or state statute, Buyer shall indemnify and defend Seller from and against such claim and all losses, damages, costs and expense (including, without limitation, attorneys fees and related costs) incurred or suffered by Seller as a direct or indirect result of any such claim, all in the manner and to the extent provided in the foregoing indemnity provisions applicable to Seller.
