RE: Chapter 65 of the Washoe County Code

Dear Commissioners,

Per Washoe County Code 65.430, a Washoe County Sheriff's Office designee shall be named to serve on the E911 Emergency Response Advisory Committee. I have designated Captain Amelia Galicia to represent the Washoe County Sheriff's Office by serving as a member of the Advisory Committee. Captain Galicia has been employed by the Sheriff's Office since January 2006, nearly 20 years. I believe her knowledge and experience will be instrumental in representing the Washoe County Sheriff's Office and Washoe County as a whole.

Sincerely,

A handwritten signature in blue ink that reads "Darin Balaam".

Darin Balaam, Sheriff  
Washoe County Sheriff's Office
