Thank you for your interest in Washoe County Government!

This document is part of the public record and is available for public review.

My working career was in enironmental protection - a direct relationship with open space protection. I have strong environmental values, am a legacy member of the Nature Conservancy, served as a board member of Ohio's largest environmental organization, and am currently serving on TMWA's Standing Advisory Committee. Open space, in particular parks, are vital to a community well-being and liveability. Too often, in difficult economic times, parks and recreation are the first to take cuts. The public and its political leadership need to fully appreciate the impact of a large and well maintained parks system has on community character.Reno and Washoe County also have a strong history of volunteerism, but in my experience, Washoe County Parks need to take more advantage of citizens' willingness to contribute to the support our parks and open space. That is one area, if I were serving on the Commission, I would emphasize and try to strengthen.

Being retired, I have time to devote to the Commision's agenda. And as a believer in the importance of parks, I would have no problems putting my energies into this work.

Describe your qualifications for this appointment, including, but not limited to your educational background, professional background and awards/honors.

BA in Geography, SUNY Binhamton, NY 1965
MA in Community Planning, U of Cincinnati 1972
Teacher of Special Education, Ft Plain HS, Fort Plain, NY 1966-67
US Peace Corps, Guyana, SA 1967-69

Guam EPA Head of Technical Services and Programs 1973-76
Ohio EPA, Water Quality Planning Administrator, 1976-84
Ohio Dept of Ntural Resounces, Pollutioin Abatement Programs Administrator 1984-2003

After retirement in 2003, I was asked to serve on The Columbus Foundation's Environmental Committee and as a Board member of the state's largest environmental org. In 2005 we moved to Boquete, Panama where I was a founding member of a local rotary club, worked to improve area schools and intiated a community-wide potable water testing program.

I have an in depth undertanding of most environmental programs: solid waste, water quality, agricultural conservation, pesticide management, air quality, stream channel restoration, and environmental review of development.

List your community and/or civic involvement history.

Since moving to Reno in 2012, we actively support public tv and radio, Reno Little Theater, KTMB, the Reno balloon races, and spent several years volunteering at Bartley Ranch Park. I am a master gardener, and completed an informal course in viticulture at UNR. I have been a member of TMWA's Standing Advisory Committee for three years.

My interest in serving on the Washoe County Open Space and Regional Parks Commission is twofold. First, I have spent my whole career working in the public interest and see this as an opportunity to apply my experience to the benefit of my home area. More specifically, serving on this Commission would enable me to contribute my past experience and skills in planning, programming, finance and public policy. Second, access to open space and parks, and the recreational opportunities that they provide, are a major reason why many of us chose to live in Washoe County. Accordingly, I am an outdoors enthusiast and thrive on being outdoors, whether I am hiking, backpacking, snowshoeing, backcountry skiing, kayaking, taking my grandchild to a County park playground, or simply, spending time outdoors with others for meals and visits. I am highly motivated to ensure that residents and visitors to Washoe County are also able to engage in outdoor activity and connect to each other and the natural environment around us.

I firmly believe in the mission of the Washoe County Open Space and Regional Park Commission and the critical role that open space and regional/neighborhood parks play in helping getting our residents outdoors and ultimately, in supporting healthy, livable communities. I would be honored to serve residents of this County to promote access to quality parks, trails, open space and recreational opportunities around Reno and Sparks and in all of Washoe County.

Describe your qualifications for this appointment, including, but not limited to your educational background, professional background and awards/honors.

I have over thirty years of leadership and organizational/program management experience in the public and nonprofit sectors in international and domestic settings. My skills include: strategic planning; managing people, resources and processes to produce desired results; and financial and program management. My past work experience includes three years as executive director of an organization that invested in increasing access to public parks and open space and related public policy.

In addition, I have fourteen years of relevant experience in leadership positions on nonprofit boards and advisory committees, including leading committees, reviewing and providing input into plans, programs, finances and assessments, making presentations, and facilitating decision-making. At two organizations where I previously worked, I established and facilitated internal executive committees to provide strategic advice to the president, demonstrating my ability to craft strategic advice and support to organizational or agency leaders.

I have a Bachelor's degree from Dartmouth College (1982) and Master's degree in Public Affairs from the Woodrow Wilson School of Public and International Affairs at Princeton University (1988).

My work experience includes the following positions and tenures:
- Chief Learning Officer, College Futures Foundation: 2013-2016
- Executive Director, Resources Legacy Fund: 2010-2013
- Philanthropic Advisor, Foundation Source: 2009-2010
- Vice President of Programs, Director of Evaluation, and Program Director: James Irvine Foundation: 1995-2009
- Assistant Country Director, Team Leader, and Project Manager, CARE: 1988-1994
- Peace Corps Volunteer, U.S. Peace Corps: 1982-1985

Please see my attached resume for further description of my past roles and achievements.

List your community and/or civic involvement history.

As noted above and in my attached resume, I have served on several boards and advisory committees in the nonprofit sector.

More recently, since I retired in 2016, I have offered strategic advice to the Board of the Outdoor Foundation as it honed its mission and strategy. (The Outdoor Foundation is the philanthropic arm of Outdoor Industry Association (OIA) and seeks to increase outdoor engagement by youth.) I have also volunteered on open space stewardship and trail maintenance projects with the Friends of Nevada Wilderness. In addition, I volunteered for the National Conservation League in voter outreach and mobilization in 2016.

I am an avid lover of nature and enjoy many outdoor activities. I am eager to support our local parks and want to be a more active member in our Washoe community. I believe in protecting our natural environment and ensuring natural parks for future generations.

Describe your qualifications for this appointment, including, but not limited to your educational background, professional background and awards/honors.

I have a B.A. in Biology from Valparaiso University in Indiana, and a MD from Michigan State University College of Human Medicine. In the late nineties I worked at UMC in Las Vegas as a Primary Care Provider. Then I homeschooled my 2 boys for 10 years, where they regularly enjoyed the Kentucky outdoors. I returned to medicine at Renown from 2013-2014. Since then I have been busy being a homemaker, learning classes online, leading a local women's group, and volunteering within our community.

List your community and/or civic involvement history.

For the past 18 months I have volunteered at Food Bank of Northern Nevada. When I was homeschooling I taught cooking classes and a Crime Scene Investigation course to the homeschoolers. In March 2017 I spoke at the Nevada Prayer Breakfast. Through these past 8 years I have led ladies study groups at the Northern Nevada Muslim Community Center. This summer we hosted an Algerian student With the Algerian Youth Leadership Program in conjunction with Northern Nevada International Center. In February 2018 I presented in the classroom of Mrs. Dede at Coral Academy of Science Middle School. In May 2018 our ICNA ladies group made gift baskets for 4 of the Washoe Fire Stations. In August 2018 we collected and donated school supplies for Glen Duncan Elementary School.

I have been a user of Washoe County open spaces for as long as I can remember. I recreate, photgraph, reflect and explore public lands and recognize its importance to quality of life. Parks and Open Space re-energize, they allow for resetting, they are necessary for any urban area and are symbols of a healthy community. I am also civically minded and wish to contribute to the health of Washoe County through volunteerism.

Describe your qualifications for this appointment, including, but not limited to your educational background, professional background and awards/honors.

I have an educational background in both environmental policy (MPA) and Geography and Math (BSc). I have researched legal issues facing Western Water and Range Land Managers. I am familiar with Washoe County as a local governing agency having worked in a number of departments over a 10 year period. I respect the work and the limitations public servants/ elected officials face and I would like to contribute to solutions if I can.

The quality of life for residents of Washoe County is enhanced by accessibility to open spaces and parks. I believe that I can effectively listen, evaluate and offer my suggestions to other panel members on pending issues.

I enjoy living in Washoe County and would appreciate the opportunity to take an active part in helping its growth.

Describe your qualifications for this appointment, including, but not limited to your educational background, professional background and awards/honors.

I am a retired high school registrar. I have a Bachelor of Arts degree. I have always worked in positions that made me responsible for the operation and management of non profit organizations, group homes or high school registrar.

I have been a Community Liaison for the school district and the local community for-at-risk students and their families to address the student's behavioral, non-compliant issues . An Individual Educational Plan would be developed so the student could be successful.

As registrar I was responsible for the management of student transcripts, enrollment, records and files for two thousand students.

As an individual born and raised in Reno, I often find that I am continuously learning new things about our county and community that I once did not pay much attention to. Over the years, I have come to appreciate the various projects, activities, and efforts made in our community to enhance the well-being of the residents. Serving on this board would allow me to offer new ideas and insights as it relates to the built environment and also allow me to learn and serve our community in a way I never really considered.

Describe your qualifications for this appointment, including, but not limited to your educational background, professional background and awards/honors.

I am currently a Washoe County Health District Employee for the Chronic Disease Prevention Program and in the past year our program has delved into park efforts, particularly trying to increase park utilization to increase physical activity and reduce the overall chronic disease burden in Washoe County. I have been deeply involved in this effort as I am currently helping oversee two grants that are focused on parks. Through these efforts, I have had the opportunity to meet with various stakeholders such as the Parks Directors at the City of Reno and City of Sparks to promote park usage and I have also been able to visit and assess a few parks to gain a better understanding of utilization.

I have a Master's degree in Public Health and believe that the insight I can offer both professionally and personally as a county resident can be valuable to the commission.

List your community and/or civic involvement history.

In the past I have volunteered at multiple organizations including but not limited to the following: Kiwanis Bike Club, SPCA of Northern Nevada, Food Bank of Northern Nevada, and Reno Initiative for Shelter and Equality. I am an active voter and do my best to stay involved and support community efforts when possible.
