ARTICLE 1 - PREAMBLE

This agreement is entered into between the County of Washoe, hereinafter referred to as the "County," and the Washoe County District Attorney Investigators' Association, hereinafter referred to as the "Association."

It is recognized by the County, its employees and the Association that the County is charged by law with the duty and responsibility for providing services to the general public and that there is an obligation on each party for the continuous rendition and availability of such services. All employees shall perform loyal and efficient work and service, shall use their influence and best efforts to protect the properties of the County and its service to the public, and shall cooperate in promoting and advancing the welfare of the County and in preserving the continuity of its service to the public at all times.

It is the intent and purpose of the Agreement to assure sound and mutually beneficial working and economic relationships between the parties hereto, and to provide an orderly and peaceful means of resolving any misunderstandings or differences, which may arise. It is recognized by the County and the Association that each party has a mutual obligation for executing the provisions of this Agreement.

In consideration of these mutual covenants and agreements, the full agreement between the parties is set forth herein.

ARTICLE 2 - RECOGNITION

The terms and conditions of this Agreement shall apply to those employees of the classes described below, regardless of membership in the Association.

The County, subject to Chapter 288 of Nevada Revised Statutes, recognizes the Association as the exclusive bargaining agent for purposes of establishing wages, hours and other terms and conditions of employment for those employees in the District Attorney Investigators' bargaining unit comprised of the following classifications:

Investigator III, D.A.

(Revised 7-1-09)

ARTICLE 3 - STRIKES AND LOCKOUTS

A. The Association will not promote, sponsor or engage in, against the County, any strike, slow down, interruption of operation, stoppage of work, absences from work upon any pretext or excuse not founded in fact, or by other intentional interruption of County business, regardless of the reason for so doing, and will use its best efforts to induce all employees covered by this Agreement to comply with this pledge.

B. The County will not lock out any employees during the term of this Agreement as a result of a labor dispute with the Association.

ARTICLE 4 - RIGHTS OF MANAGEMENT

The County has the right and is entitled without negotiation to:

- (a) Direct its employees;
- (b) Hire, promote, classify, transfer, assign, retain, suspend, demote, discharge or take other disciplinary action against any employee for just cause;
- (c) Relieve any employee from duty because of lack of work or lack of funds;
- (d) Maintain the efficiency of its governmental operations;

- (e) Determine the quality and quantity of services to be offered to the public and the methods, means and personnel by which those services are to be offered.
- (f) Determine appropriate staffing levels and work performance standards, except for employee safety considerations;
- (g) Determine the content of the workday, including without limitation workload factors, except for employee safety considerations; and
- (h) Take whatever action may be necessary to carry out its responsibilities in situations of emergency.

Unless specifically modified by this Agreement, all rights and responsibilities of the County shall remain functions of the County.

ARTICLE 5 - RIGHTS OF ASSOCIATION

A. The County recognizes and agrees to deal with accredited employee representatives of the Association on all matters covered by this Agreement.

B. The selection of employee representatives, employee grievance representatives, employee negotiating team representatives and the officers of the Association is the responsibility of the Association.

C. The Association shall provide the County with a list of accredited employee representatives and maintain its currency.

D. Release time for officers of the Association, employee representatives, employee grievance representatives, and employee negotiating team representatives shall be limited for the purpose of (1) attending County functions/meetings, including negotiations (which term shall also encompass statutory impasse procedures), which have a direct impact upon the Association, or (2) attending in accordance with the provisions of Article 35, Grievance Procedure, to matters relating to grievances. Included within this release time procedure is the authorization for each member of the Association's negotiating committee and/or officers of the Association Board to have a maximum of one (1) hour per week for meetings of the Association's negotiating committee and/or officers of the Association during weeks when the Association and the County are going to have one (1) negotiating session. In the event that the County and the Association meet for negotiations more than one (1) time per week, then the above described release time limit will be increased by one (1) hour for each session in excess of one (1) session.

E. Release time requires the advance approval of the concerned employee's supervisor. Approval of request for release time under this Article shall not be unreasonably withheld.

F. The parties agree that this Agreement is the product of negotiations during which both parties made offers and counteroffers on numerous topics both economic and non-economic, including Association release time as described in this Article, and agree the full cost of release time for Association business for the term of this Agreement has been offset by the value of concessions made by the Association during the course of negotiations of this Agreement. (Revised 7/1/19)

G. Association representative may be afforded release time to attend to Association business in addition to the release time identified under paragraph D at the discretion of management. Such time must be requested in writing to the manager with the specific purpose for the leave identified to be considered by management.

ARTICLE 6 - NON-DISCRIMINATION

A. The County will not interfere with, or discriminate in respect to any term or condition of employment against any employee because of membership in the Association, or because of any legitimate activity pursuant to this Agreement by the individual employee or the Association on behalf of its members, nor will the County encourage membership in any other employee organization.

B. The Association recognizes its responsibilities as the exclusive bargaining agent and agrees to represent all employees in the bargaining units without discrimination, interference, restraint or coercion.

C. The provisions of this Agreement shall be applied equally to all employees in the negotiating unit without discrimination as to age, sex, sexual orientation, marital status, race, color, creed, national origin, or political affiliation. The Association shall share equally with the County the responsibility for applying this provision of the Agreement.

(Revised 8-21-00)

ARTICLE 7 - WORK HOURS

A. Workweek 40 hours: The normal workweek of employees covered by this Agreement shall consist of forty (40) hours, ~~excluding meal periods except as provided herein~~. The workweek shall mean those hours worked between 12:01 a.m. Monday and ending 12:00 midnight Sunday. The scheduling of work-hours within the workweek shall be determined by the County. Employees shall be given at least fifteen (15) calendar days written notice prior to a change in their assigned hours of work, unless due to an emergency or unless mutually agreed to by the County and the Association. Flextime scheduling will not be used to avoid overtime.

B. Meal Period: All employees shall be allowed at least a one-half (1/2) hour paid meal period scheduled approximately in the middle of the employee's workday. ~~This period of time shall be considered the employee's time and not hours worked except as provided herein. The meal period shall be taken without loss of pay and the employee shall not be required to make up such time.~~

C. Breaks per shift: All employees shall be granted a fifteen (15) minute rest period during each four (4) hour shift. Such breaks shall not be taken within one (1) hour of the employee's starting time, quitting time, or meal breaks, and may not be accumulated or used to supplement meal breaks, arrive at work late or leave work early except as provided herein. Rest periods shall be taken without loss of pay and the employee shall not be required to make up such time.

~~D. Combination of Breaks: Employees who are required to work shifts of eight (8) straight hours without a designated meal period may request to have the two (2) rest breaks combined into a one-half (1/2) hour meal period. Under these circumstances, the meal period shall be considered as hours worked. The determination of employees assigned to shifts of eight (8) straight hours shall be made by the Department Head or his designee.~~

E.D. The Parties recognize that use of alternative work schedules such as 10-hour shifts, 40-hour workweeks is at the discretion of management. Should 10-hour shifts be utilized, such hours shall constitute a normal working day and regularly scheduled shift for those employees so assigned. Employees who work ten (10) hour shifts, in addition to the two (2) fifteen minute breaks referenced in C. above, shall be entitled to a one-half (1/2) hour paid break for a meal period.

~~F.E.~~ The County has the right to schedule employee hours and to order overtime, but in scheduling employee's hours, shall attempt to give an employee at least two (2) consecutive days off for employee's working 8-hour shifts and attempt to three (3) consecutive days off for employee's working 10-hour shifts in a workweek, as defined in A. above.

~~G.F.~~ In the event an employee is formally assigned a work schedule that does not contain two (2) consecutive days off in the work week, said employee shall be paid a differential of five percent (5%) above the employee's base pay for all hours worked in that workweek, except as provided herein. Failure to receive two (2) consecutive days off in a workweek as a result of a temporary work schedule change or overtime is not considered part of a formally assigned work schedule and shall not qualify an employee for the additional five percent (5%) differential.
(Revised 7-01-22)

ARTICLE 8 - ANNUAL LEAVE

A. Vacation accrual for full-time employees:

1. On the first day of the pay period following the completion of six (6) months continuous County service, each employee who is employed full-time shall be entitled to ~~forty-eightsixty~~ (6048) hours vacation leave credit. Thereafter, employees shall accrue vacation credit at the biweekly equivalent of the rates established below:

<u>Years of Continuous Service</u>	<u>Annual Hours Earned</u>
Less than three (3)	120 96 hours
Three (3) but less than five (5)	160 36 hours
Five (5) but less than twenty (240)	200 152 hours
Ten (10) but less than fifteen (15)	176 hours
Fifteen (15) but less than twenty (20)	192 hours
Twenty (20) or more	240 0 hours

(Effective on or before August 26, 2024)

B. General Provisions

1. An employee's seniority for vacation accrual shall include all periods of service from the employee's last continuous permanent County employment date, except as provided herein. Periods of separation may not be bridged to extend service unless the separation is a result of a layoff, in which case bridging will be authorized if the employee is reemployed in a permanent position in accordance with Article 36, or unless an employee who separates is reemployed within one (1) year and then works a minimum of one (1) year upon reemployment.

2. Vacation credit shall accrue only while an employee is in a paid status.

3. The time when vacation is to be taken shall be determined by the appointing authority after considering the needs of the service and the seniority and wishes of the employees. Vacation credit may be accumulated from year to year not to exceed 240 hours. Amounts in excess of 240 hours as of the end of the biweekly pay period encompassing December 31st shall be forfeited. Vacation leave shall not be granted in excess of the vacation credit earned. Vacation taken during a biweekly pay period shall be charged before vacation earned during that pay period is credited. Provided, if an employee, on or before October 1, requests permission to take annual leave, and the request is denied, the employee is entitled to

payment for any leave in excess of 240 hours which the employee requested to take and which the employee would otherwise forfeit. The Department's obligation is to afford the employee the ability to use their annual leave, which may not necessarily be the dates requested by the employee. For example, an employee on October 1 requests to use 40 hours of leave immediately preceding Christmas. The Department may deny said time off, and still allow the employee to use their leave at a different time prior to the end of the year to avoid forfeiture. Vacation leave shall be charged on an hour-for-hour basis or major fraction thereof.

4. Except as otherwise provided in this Article, upon separation from service for any cause, an employee shall be paid a lump sum payment for any unused accumulated vacation earned through the last day worked. If this date is earlier than the last day of the pay period, the vacation shall be prorated.

(Revised 7-01-08)

ARTICLE 9 - SICK LEAVE

A. Each employee in the service of the County shall be credited with sick leave at the rate of one and one-fourth (1-1/4) working days for each month of full-time service. Employees in the service of the County for ten (10) years or more shall be credited with sick leave at the rate of one and one-half (1-1/2) working days for each month of full-time service. Sick leave is cumulative from year to year.

B. An employee is entitled to use accrued sick leave only:

When incapacitated to perform the duties of his/her position due to sickness, injury, pregnancy or childbirth;

When quarantined;

When receiving required medical or dental service or examination;

For purposes of bonding after the birth or placement of a child due to adoption or foster care, leave is available pursuant to the Family and Medical Leave Act (FMLA) regardless of the gender of the employee. An employee taking bonding leave under the FMLA may use annual leave and compensatory leave in addition to sick leave. Leave must occur within the first year after the event.

Upon illness in the employee's immediate family where such illness requires his/her attendance. For this purpose, "immediate family" means the employee's spouse, parents (including step and foster), children (including step and foster), brothers or sisters, or corresponding relation by affinity.

In the event of a death in the employee's immediate family, he/she may use accrued sick leave, coded as bereavement leave, not to exceed five (5) days for attending the funeral services. Leave must occur within the first year after the event. For this purpose, "immediate family" means the employee's spouse, parents (including step and foster), children (including step and foster), brothers, sisters, grandchildren, grandparents, aunts, uncles, nieces, nephews, or corresponding relation by affinity.

C. An employee requiring sick or bereavement leave must, if required, provide the District Attorney with evidence of such need. For sick leave absences in excess of three (3) days, or in cases of apparent abusesick or bereavement leave abuse, the District Attorney may require the

employee to submit substantiating evidence, including, but not limited to, a physician's certificate, a death announcement, or a celebration of life announcement, as applicable.

D. If any employee does not have adequate accrued sick leave time, the District Attorney may grant the use of accrued vacation time in lieu thereof. In no case, however, will sick leave be granted in lieu of vacation time.

E. Sick leave shall be charged on an hourly basis for each full hour or major fraction thereof if an employee has worked less than forty (40) hours in a workweek. Holidays occurring during a sick leave period shall not be counted as sick leave time. Sick leave taken during a biweekly pay period shall be charged before sick leave earned that pay period is credited.

F. An employee separated from the service shall earn sick leave only through the last working day for which he/she is entitled to pay. Upon death, retirement, permanent disability, or upon termination of an employee after ten (10) years of full-time employment or its equivalent, an employee shall be compensated for total accrued sick leave in excess of three hundred (300) hours at the rate of one (1) hour's pay at his/her regular hourly rate for every two (2) hours of sick leave accrued up to a maximum payment of eight hundred (800) hours. There shall be no payment for sick leave balances of three hundred (300) hours or less.

G. As long as an employee is in a paid status, he/she shall earn sick and vacation leave during the time he/she is on such leave. If the employee is on leave without pay, he/she shall not earn sick or vacation leave during the time he/she is on such leave.

H. Personal Leave:

1. Personal Leave will be earned on a semi-annual basis as described herein:

(a) Pay Period #01- #13: Personal Leave Credit – July

Employees who use between 0 – 16.00 hours of sick leave during the start of pay period #01 and as of the last day in pay period #13 in each calendar year shall receive twelve (12-hours) of Personal Leave credit at the end of the first full pay period in July of that calendar year. Employees who use between 16.01 – 20.00 hours of sick leave during the start of pay period #01 and as of the last day in pay period #13, in each calendar year, shall receive four (4-hours) of Personal Leave credit at the time specified above.

(b) Pay Period #14 - #26 or #27: Personal Leave Credit - January

Employees who use between 0 – 16.00 hours of sick leave during the start of pay period #14 and as of the last day in pay period #26 (or in the event of a 27th pay period in a calendar year, pay period #27), shall receive twelve (12-hours) of Personal Leave credit at the end of the first full pay period in January of the next calendar year. Employees who use between 16.01 – 20.00 hours of sick leave during the start of pay period #14 and as of the last day in pay period #26 (or in the event of a 27th pay period in a calendar year, pay period #27), shall receive four (4-hours) of personal leave credit at the time specified above.

2. Personal Leave earned in July and January of each calendar year must be used by the end of pay period #26, or in the event of a 27th payroll paid in a calendar year, pay period #27, and if not used will be forfeited. Under no circumstances will there be any cash payment or cash value for Personal Leave credit that is not used. In order to receive this Personal Leave benefit, an employee must be in a pay status (either working or on paid leave) for all of the pay periods within the noted semi-annual period.

3. Permanent part-time employees shall receive a prorated amount of Personal Leave at the same ratio as their regular work hours relate to a full-time work schedule. Part-time regular

work hours will be reviewed as of PP#13 or PP#26 or PP#27 using the weekly working hours encoded in an employees Planned Working Time record.

(Revised 7-1-14) (Effective January 1, 2015)

4. The use of sick leave for attending the funeral services of a family member as described in paragraph B above shall not count towards the sick leave usage when calculating personal leave, as outlined in paragraph H.1. above. (Added 7-1-16) (Effective December 26, 2016)

I. Sick leave used for purpose of job related illness or injury shall not be counted as sick leave used for the purpose of calculation leave credits as described in paragraph H.
(Revised 07-01-04)

J. Employees shall be allowed to voluntarily transfer up to a maximum of eighty (80) hours of their accumulated vacation leave or compensatory leave during any calendar year to another employee who has no accumulated sick leave hours, but who is otherwise eligible to take paid sick leave. Donated leave must be converted into money at the hourly rate of the donor and the money must be converted into sick leave at the hourly rate of the recipient. The maximum amount of accumulated leave transferred to any employee under the terms of this article shall be four hundred and eighty (480) hours per calendar year. Once leave has been donated and transferred, such leave hours shall not be refundable to the donor making the transfer.
(Revised 7-01-08)

K. Disability Retirement

An employee who applies for disability retirement under the Nevada Public Employees Retirement System (PERS) shall be removed from the payroll and placed on disability retirement no later than sixty (60) days from approval of said disability retirement by PERS. Employees hired prior to February 11, 1998, who are incapable or restricted in the performance of their position for health reasons, who pursue either regular or disability PERS benefits, may apply for up to three years credit towards reaching the next plateau for payment of their health insurance premiums upon retirement. Such application shall be to the Director of Human Resources who shall have discretion to grant or deny said request after review of all submitted health records and consultation with the employee and appointing authority.
(Revised 7-1-08)

L. Parental Leave: Subject to the requirements and limitations in this Article, employees covered by this Agreement who are eligible for leave under the Family and Medical Leave Act (FMLA) are eligible for up to four (4) weeks of paid parental leave following the birth of a child of the employee or the placement of a child with an employee for adoption or foster care.

1. Paid parental leave will not exceed four (4) weeks in any rolling twelve (12) month period, regardless of whether more than one birth, adoption, or foster placement occurs within that period.
 2. Paid parental leave will run concurrently with any applicable FMLA leave.
 3. An employee must take paid parental leave in one continuous period that falls entirely within twelve (12) months of the birth or placement of the child. Any unused paid parental leave will be forfeited twelve (12) months after the birth or placement of the child.
 4. Holidays will not extend the period of paid parental leave.
 5. Upon termination of employment for any reason, an employee will not be paid for any unused paid parental leave for which they were eligible.
- (Effective 7-1-24)

ARTICLE 10 - MILITARY LEAVE

Any employee of the County who is absent due to being called into one of the military services of the United States, or the State of Nevada, to serve under orders of military duty, shall be relieved from his County duties, upon his presentation of orders, to serve without loss in regular compensation for a period not to exceed fifteen (15) working days in any one (1) calendar year. Any such absence shall not be deemed to be an employee's annual vacation.

ARTICLE 11 - LEAVE OF ABSENCE

A. A leave of absence may be granted to any employee occupying a permanent position. A leave of absence shall be granted only to an employee who desires to return there from to the County service and who at the time the leave is granted has a satisfactory service record.

B. Leave of absence for thirty (30) working days or less in any calendar year may be granted upon the approval of the appointing authority. Leave requests for more than thirty (30) working days and up to one (1) year may be granted upon the recommendation of the appointing authority and the approval of the County Manager or designee.

C. Upon approval of the appointing authority and, if applicable, the County Manager or designee, a leave of absence may be granted to an employee who desires to attend school or college or to enter training to improve the quality of the employee's service, who is temporarily incapacitated by illness or pregnancy, who is loaned to another governmental agency for the performance of a specific assignment, or for some other reason equally satisfactory. A leave of absence shall not be granted to an employee who is accepting another position in the classified service or who is leaving the County service to accept other employment, except as provided in this subsection.

D. A leave of absence with pay shall be granted to any County employee required by law to appear as a juror or, who in their official capacity, is required by law to serve as a witness for the Federal Government, the State of Nevada, or a political subdivision thereof. The employee shall be paid the employee's regular salary while on leave of absence, but must remit to the County all fees that the employee may receive as a witness or juror, except for mileage and per diem. Court leave shall not be charged against the employee's vacation credit.

E. The Board of County Commissioners, upon the recommendation of the County Manager, may grant a leave of absence without pay in excess of one (1) year to an employee for the purpose of attending extended courses of training at a recognized college or university, accepting a position in the unclassified service, and for other purposes deemed beneficial to the public service.

F. Employees taking authorized education leaves may elect to use accumulated annual leave at their option.

G. Leave of absence with pay may be granted by the appointing authority to allow employees time off to vote, pursuant to the provisions of NRS 293.463.

H. Leave of absence with pay shall be granted to an employee to act as a volunteer firefighter for any regular organized and recognized fire department for the protection of life or property during working hours or fractions thereof which should otherwise have been devoted to County employment. Further, any employee whose absence from the job is for the purpose of aiding in a public emergency as a volunteer reserve member of a police department or sheriff's office may be relieved from the employee's duties, without the loss of compensation, upon request and approval of the employee's appointing authority, and with the approval of the County Manager.

I. The provisions of this article do not apply to any leave of absence that is governed by the Family and Medical Leave Act (FMLA).
(Revised 7-01-22)

ARTICLE 12 - FAMILY LEAVE

The County's policy for implementing the provisions of the Family and Medical Leave Act, as codified in Washoe County Code Chapter 5, shall be applicable to this Agreement.

ARTICLE 13 - JOB-CONNECTED INJURIES

A. In the event an employee is absent due to a service-connected disability which has been approved by the County's Claims Administrator, for a period not to exceed sixty (60) calendar days, the employee shall receive compensation as determined by the County's Claims Administrator plus that amount from the County which would cause the total amount received by the employee from both the County's Claims Administrator and the County to equal his/her salary at the time of his/her disability. During this period, the employee shall not be charged with the use of any accrued sick leave, annual leave or other forms of leave.

B. It is the intent of the County to pay the on-the-job injured employee who meets the conditions set forth above, the difference between his/her full biweekly base salary and that provided by the County's Claims Administrator. Therefore, the employee shall return to the County Treasurer all temporary total disability payments made by the County's Claims Administrator covering the period enumerated in Section A of this Article. No supplemental benefit provided for in Section A shall be given until after the employee has deposited his/her lost time benefit check with the Treasurer. Upon the expiration of sixty (60) calendar days, if the employee is still unable to work, he or she may elect to utilize accrued sick leave during which period the employee shall receive compensation from the County as provided in Nevada Revised Statutes.

C. When accrued sick leave has expired, if the employee is still, because of disability, unable to work, he/she will be permitted to use his/her accrued vacation leave as sick leave.  - (g) Under no circumstances should work schedules be arbitrarily changed during a holiday week, unless due to an emergency or unless mutually agreed to by the County and the employee.
1. **Holiday Not Worked:** If a holiday, as defined by this article, falls on the employee's regularly scheduled workday and the employee does not report to work and instead has the day off then the employee shall receive holiday pay, taken as cash only, at their regular, straight time hourly pay rate for the amount of hours that the employee would have normally worked. Part-time benefit eligible employees are pro-rated for the holiday, as defined above.

The decision as to whether

Compensation for "holiday pay" hours (Pay Code 0005) must be taken as cash.
5. **Holiday During Leave:** If a holiday, as defined by this article, occurs during an employee's scheduled vacation, sick, compensatory, personal or other paid leave, that holiday shall be charged as "holiday pay" and not be charged as leave.
6. **Holiday Reporting:** The employee's shift schedule determines when and if an employee should report holiday hours on a recognized holiday, as defined by this article. Employees must report all applicable holiday hours on the day their shift begins or in accordance to the current practice set by management.

(Added 7-01-19)

E. Retiree Health Insurance

The Retiree Health Insurance benefit is based on the employee's original date of hire and total years of County service.

1. For those individuals employed by the County between May 3, 1977 and January 13, 1981, the following provisions apply:

(a) The County will pay 50% of the medical insurance premium attributable to the employee for participation in the County's Retiree Health Insurance Program upon the employee's retirement and receipt of benefits from Nevada PERS, provided the employee has at least a total of ten (10) years of full-time County employment.

(b) The County will pay 75% of the medical insurance premium attributable to the employee for participation in the County's Retiree Health Insurance Program upon the employee's retirement and receipt of benefits from Nevada PERS, provided the employee has at least a total of fifteen (15) years of full-time County employment.

(c) The County will pay 100% of the medical insurance premium attributable to the employee for participation in the County's Retiree Health Insurance Program upon the employee's retirement and receipt of benefits from Nevada PERS, provided the employee has at least a total of twenty (20) years of full-time County employment.

The payments specified in (a), (b), and (c), above, will be made in accordance with and are subject to all applicable laws in effect at the time of the employee's retirement, and are contingent upon the employee being medically eligible to be reinstated into the County's Retiree Health Insurance Program if there has been a break in coverage under the County's Health Plan.

2. For those employees hired on or after January 13, 1981, the provisions listed in Section E.1. above, are applicable except that in order to receive the retiree health insurance benefits an individual must be an employee of Washoe County immediately prior to drawing retirement benefits.

3. The parties recognize that the cost of retiree health insurance should be considered a current benefit earned and paid for during an individual's employment with the benefit simply being deferred until retirement. Based upon this, the parties further recognize that the funding of the retiree health insurance program must be addressed during the period of employment of active employees in order to try and ensure the fiscal integrity of the program in the future and in order to try and ensure that the benefit upon retirement can be provided. Additionally, the parties recognize that the prefunding of the service cost of this program, which is addressed below, only represents a portion of the funding obligations of this program and that the parties will address the unfunded liability portion of this program in the future. At the point in time when the retiree health insurance program is fully prefunded, with no unfunded liability remaining, the retiree health insurance program will be fully considered a current benefit earned and paid for during an individual's employment with the benefit simply being deferred until retirement. With those mutual recognitions and understandings, the parties herein agree to prefund the program annually at the actuarially determined service cost amount attributable to this bargaining unit beginning July 1, 1996. The amount of the service cost attributable to this bargaining unit will be a percentage of the number of employees represented by the bargaining unit compared to the number of employees covered under the County's Health Benefit Program.

4. For those employees hired on or after February 11, 1998 through June 30, 2010, the County will pay a portion of the medical insurance premium in the form of a subsidy as established by the County. This subsidy may only be used to offset the cost of the medical plan premiums offered through the Washoe County Retiree Health Benefits Program. Upon reaching the age of Medicare eligibility, employees referenced in this section must enroll in Medicare Parts A and B, with Medicare becoming primary coverage and Washoe County becoming secondary, should they elect to remain in the County Retiree Health Plan. In order to receive the retiree health insurance benefits an individual must be an employee of Washoe County immediately prior to drawing retirement benefits.

(Rev 7-1-19)

5. Washoe County will provide a monthly subsidy to the employees referenced in paragraph 4 at the rates provided in Appendix B based on years of County service prior to retirement from the County, with a minimum of five (5) years of service and maximum of twenty (20) years of service. Effective January 1, 2020, the amounts in the schedule shall be adjusted to the nearest dollar to reflect any change using the CPI Medical Index during any year there is an increase to the plan premiums. When medical premium amounts do not change, there shall be no change to the subsidy schedules for the coinciding plan year.

(Revised 7-1-19)

6. For those employees hired after June 30, 2010, there will be no retiree medical health care contribution by the County. Upon reaching the age of Medicare eligibility, employees in this section must enroll in Medicare Parts A and B with Medicare becoming primary coverage and Washoe County becoming secondary, should they elect to remain in the County Retiree Health Plan.

(Revised 7-1-19)

The County agrees to provide health insurance coverage and shall pay one hundred percent (100%) of the premium for spouses and dependent children of any member of the bargaining unit who is killed in the line of duty and which member has said spouse and dependent children covered under the County's medical insurance plan at the time the member was killed. The purpose of the following provisions is to set forth, simply and clearly, the provisions that shall govern the conditions of a grievance appeal.

I. GENERAL PROVISIONS:

A. Definitions:

1. Grievance: A grievance is a dispute by one or more employees or the Association concerning the interpretation or application of an expressed provision of this Agreement.
2. Grievant:
 - (a) A County employee who is covered by the provisions of this Agreement and who is adversely affected by the matter being grieved.
 - (b) The Association may file a grievance alleging a violation of contract terms in an attempt to avoid negative precedent. However, in no event may the Association assert a grievance appealing a disciplinary action "on behalf of" an Association member or non-member absent the signed approval of same.
3. Day: For purpose of this procedure, a day is defined as a calendar day.

B. All grievances shall be in writing, shall be dated, and shall specify the Collective Bargaining Agreement provision alleged to have been violated. The grievance shall also specify the facts, including names, dates, etc., which are alleged to constitute the violation.

C. A grievant(s) shall have the right to representation at each step of the grievance procedure.

D. No grievance settled by an employee represented by the Association shall be accepted by the County unless said employee has received concurrence from the District Attorney or his designee.

E. Any of the time limits contained in this procedure may be waived upon the mutual written agreement of both parties except that the waiver of the time limits contained in Step 1 of this procedure can only be agreed to on the part of the County by the County Manager or his designee.

II. GRIEVANCE PROCEDURE

STEP 1 - Department:

The aggrieved employee shall take up the grievance with the Chief Investigator within fourteen (14) days of when the employee knew or should have known of the occurrence, giving rise to the grievance. If the matter giving rise to the grievance is initiated at a level above the Chief Investigator, the grievance will start with the appropriate official at Step 2, except as required under Article 35(G). For those grievances that are initiated at the Chief Investigator's level, he or she shall attempt to adjust the matter at that time. If the grievance is not settled during the informal discussion, the grievant shall submit it in writing to the Chief Investigator within seven (7) days of the informal discussion. The Chief Investigator shall render a decision in writing to the grievant within seven (7) days after receipt of the written grievance.

STEP 2 – District Attorney or Human Resources:

For those grievances that are started at Step 1, in the event the grievant is not satisfied with the Chief Investigator's written response to the grievance, he or she may refer the grievance in writing to the appropriate County official within seven (7) days after receipt of the written response. If the grievance is started at Step 2, the time limits for filing the grievance under Step 1, shall apply. For those grievances involving discipline, the appropriate County official is the District

Attorney. All other grievances shall be filed with the County Manager or his designee. The appropriate County official shall render a decision in writing within seven (7) days after receiving the grievance.

STEP 3 - Arbitration:

If the grievant is not satisfied with the decision rendered at Step 2, within fourteen (14) days of receipt of such decision, the Association may make a request in writing for arbitration to the Human Resources Director . The request shall indicate if the grievant is representing himself rather than being represented by the Association, and the matter may be submitted to arbitration, but particular attention is to be drawn to the provision of this Article regarding the cost associated with arbitration. The parties recognize that assignment of authority to proceed to arbitration to the grievant does not alter recognition of the Association as the employee's representative pursuant to NRS Chapter 288.

III. ARBITRATION

Both parties shall mutually or severally set forth the issue(s) to be arbitrated in advance of selecting an arbitrator. If the parties are unable to agree upon an arbitrator, a request for a list of arbitrators shall be made to ~~the American Arbitration Association or~~ the Federal Mediation and Conciliation Service by either party. The selection of the arbitrator shall be made from the list provided by alternately striking names. The order of the striking shall be determined by coin toss with the winner of the coin toss making the decision on who will initially strike the first name.

The arbitrator so selected shall confer promptly with the parties, shall hold further hearings, and shall issue a report not later than thirty (30) days from the day of the hearing, which shall set forth his findings of fact, reasonings, and decision on the issues submitted. The arbitrator's decision shall be consistent with the law and the terms of this Agreement and shall be binding on the parties. The arbitrator shall not have the authority to modify, amend, alter, add to or subtract from, any of the provisions of this Agreement.

The expenses of arbitration, including the arbitrator's fee/cost and the expenses and costs of the arbitrator's transcript, if any, shall be borne equally by the parties. All other expenses incurred by either party in the preparation or presentation of its case are to be borne solely by the party incurring such expenses. The parties shall be considered as the County and the Association or, if the Association has so delegated, and a grievant is representing himself, the County and the grievant(s).

(Revised 7-01-22)

ARTICLE 37 - REDUCTION IN FORCE/LAYOFFS

Whenever the County reduces in force or lays off any employee having permanent status because of lack of work or lack of funds, the following procedure shall be used:

A. The department head shall determine in which class or classes within the Investigator class series reduction in staff will have the least detrimental effect on departmental operations and will specify the layoff accordingly. The "class series" for purpose of layoff is defined as all periods of service within the District Attorney's Office in which the employee served in any of the following classes: Investigator Trainee, Investigator I, Investigator II, Investigator III, or Consumer Fraud Investigator.

B. Within the "class series", all nonpermanent employees shall be laid off before any permanent employees and in the following order: temporary, provisional and probationary. A person who attained permanent status in a class within the Investigator class series, but is serving a new probationary period because of a promotion within the Investigator class series, is considered a permanent employee for purposes of layoff. An employee who has been employed in the

Investigator class series for a period of time equivalent to the minimum required to complete a probationary period but, because of promotions within the Investigator class series, has never completed a probationary period, shall be considered a permanent employee for purposes of layoff.

C. All other conditions being equal; seniority within the "class series" shall prevail as the determining factor for purpose of layoff and right to rehire. An employee's seniority within the "class series" for layoff and displacing purposes shall include all periods of service within the "class series" from the employee's last continuous permanent County employment date. Periods of separation may not be bridged to extend service unless the separation is a result of layoff in which case bridging will be authorized if the employee is reemployed in a permanent position in the "class series" within the period of his/her layoff eligibility, or unless an employee who separates is reemployed within one year and then works a minimum of one year upon reemployment.

(Revised 7-1-09)

D. A person laid off shall be entitled to displace to positions within the "class series" if there is an employee with less seniority.

E. The employee with the least seniority within the "class series" shall be displaced by the person who is laid off. The employee displaced shall be considered as laid off for the same reason, as the person who displaced him/her and shall in the same manner be eligible to displace. If two or more employees have the same displacement seniority to a position in a class, the order of displacement shall be determined by the drawing of lots.

F. All election and waivers of displacement rights by employees shall be made in writing.

G. When simultaneous layoffs occur within the "class series," the layoff will occur first in the higher class, followed by displacement to the lower class. When displacements in the lower class have been completed, the layoff in the lower class will occur.

H. The names of permanent employees who have elected displacement or temporary demotion pursuant to the provisions of this Article must be placed first upon the reemployment list for the class or position involved, in reverse order of displacement or temporary demotion. The employee who was last to displace or demote is the first on the reemployment list, and must be given preference in rehiring. Each person on such a list retains eligibility for appointment for an unlimited period of time except as provided for in Section J below.

I. All permanent employees laid off shall be placed on a reemployment list for all positions in the "class series" which are not at a higher level than previously held. All such employees must be given preference for rehiring. Names of employees laid off shall remain on the reemployment list for two (2) years except as provided for in Section J below.

J. Refusal of an employee to accept an appointment to a position in a class from which he/she was laid off or elected displacement may result in the removal from the reemployment list.

K. The Association will be informed of any pending reduction in force layoffs at least seven (7) days prior to the official notification of employees affected thereby. The notification will include the reasons for the layoffs and the number and types of positions affected. At this time, the Association may make its views and recommendations known to the Director of Human Resources concerning the implementation of such layoff. All layoffs will be carried out in strict compliance with applicable laws and regulations. Employees affected shall be given thirty (30) days notice of layoff.

L. The County will cooperate with any employee who is laid off as a result of a reduction in force layoff and the State Employment Service (or equivalent agency) in determining the rights to be afforded the separated employee(s) and will inform employees of the method and procedures to follow when applying for any available benefits.

All posted material shall bear the identity of the sponsor, shall be signed by a duly appointed representative of the Association shall be neatly displayed, and shall be removed as soon as no longer timely. All costs incident to preparing and posting of Association material will be done by the Association.

Application for such use shall be made to the party/department under whose control the facility is placed. The Association may be preempted from such use should the need for the facility arise for a County purpose.

C. Communications

For the purpose of communication of Association business, the County shall permit reasonable use the County's e-mail system, during the employee's breaks or non-work time, by the Association and its members for communications between the Association and its members.

~~—The parties have entered into a point factor job evaluation process in which a job evaluation committee is hereby granted authority to determine the points assigned to classifications in the bargaining unit pursuant to the Hay Classification process. The established Grades, Classifications and Titles in the Agreement are set forth in Appendix A. Changes may result in classifications and titles when the job evaluation committee has reclassified a job, or where new classifications are added. The County ascribes responsibility that setting grades, salary schedules and market pay differentials for classifications is the exclusive responsibility delegated by the County to Hay Associates. Further, the parties agree that appeals of classification or reclassification shall first go back to the job evaluation committee, and subsequent appeals shall be to Hay Associates, and are not subject to the grievance and arbitration provisions of the Labor Agreement.~~

~~—In the event that there is a permanent assignment of duties, which the employee or the county believes alters the classification of the employee's position, the employee or county may request to have the employee's position studied. Such request shall be submitted to the Human Resources Department, setting forth in writing the reasons that form the basis for review. Human Resources shall discuss the changes with the employee(s) and management and prepare a new position description if necessary. The new description shall be submitted to the job evaluation committee, which will determine whether an existing classification is appropriate, or whether a new classification is necessary.~~

~~— The effective date of a position(s) reclassified to a class having a higher salary grade shall be either the date the position(s) was studied or ninety (90) days after the request to study the position(s) was received in the Human Resources Department, whichever occurs first. The status of employees so reclassified shall be governed by the provisions of the Merit Personnel Ordinance. The effective date of a position(s) reclassified to a class having a lower salary grade shall be the date the position(s) was studied. An employee in a position so reclassified shall retain the employee's status in the lower classification, and if the employee's salary is above the top of the salary range for the lower classification, shall have the employee's salary frozen at their existing rate until the lower salary grade reaches the employee's frozen rate. MEMORANDUM OF UNDERSTANDING

~~— WHEREAS, the County and the District Attorney Investigators Association are parties to a collective bargaining agreement that adopts a new point factor pay and classification plan established pursuant to the Hay system.~~

~~— WHEREAS, the parties have heretofore agreed that the implementation rules for the Hay classification and pay plan include freezing the pay rates for employees who are paid above the scale for the new pay grade adopted for their classification.~~

~~— WHEREAS, the parties have heretofore agreed that the implementation rules for the Hay classification and pay plan include placing employees whose current pay rate is within the new pay grade, into the new pay grade, after which they may receive merit pay increases up to the maximum of the new pay grade.~~

~~— WHEREAS, the parties hereto desire to provide for an alternative system to facilitate the movement of employees into the Hay pay grades.~~

~~— NOW, THEREFORE, based on the foregoing premises and the following terms and conditions, the parties hereby agree to compromise and settle the issue relating to rates of pay for employees for whom the adopted Hay pay grades have lower maximum pay rates than the employee's prior classification:~~

- ~~1. The County agrees, for employees whose Hay job classification pay grade is lower than their previous pay grade, to maintain the old pay grade ("grandfathered pay grade") and grant step-down increases for the next five fiscal years. After the five-year period, any employee still above the pay rate for their Hay job classification shall have their pay frozen until the grade encompasses their frozen rate of pay.~~
- ~~2. The County agrees the grandfathered pay grades shall be increased by 100% of any general wage increase granted in FY 2001-2002; 80% of any general wage increase granted in FY 2002-2003; 60% of any general wage increase granted in FY 2003-2003; 40% of any general wage increase granted in FY 2004-2005; and 20% of any general wage increase granted in FY 2005-2006; and, shall be frozen thereafter if still above the Hay pay grade for their pay classification.~~
- ~~3. Employees eligible to be paid within the grandfathered pay grades are those hired into those job classifications prior to the adoption of the Hay job classifications and pay grades.~~
- ~~4. Employees who change job classifications subsequent to the adoption of the Hay pay grades shall be paid within the Hay pay grade for their new classification.~~
- ~~5. The County further agrees that for purposes of all future evaluations and surveys conducted by Hay Associates, the DA Investigator II job classification shall be included as a benchmark job classification.~~
