

Application for Wildlife Advisory Board to Manage Wildlife

Additional Information:

I am an avid outdoorsman and have been hunting and fishing in Northern Nevada for the past 36 years. I would like to see the opportunities available to future generations that I have enjoyed. I have been directly and indirectly involved with Ducks Unlimited, NBU and the Mule Deer Foundation off and on throughout my adult life. I spend countless hours every year in all areas of Washoe County while hunting, fishing, hiking and camping. I have seen some really good things and things that need work in our area of the state. I want to be a part of making sure my children have the opportunities I had growing up here.
