BACKGROUND

Washoe County Human Services Senior Services Division (Senior Services), acting on behalf of Washoe County, is responsible for the operation of all facilities, administration of all funds received, including Federal, State and local grants, property tax, and voluntary donations, in conjunction with the Senior Nutrition Program.

The funds for the Senior Nutrition Program comes from a variety of sources: the Older Americans Act Title 111(c) for congregate and home delivered meal contracts through the State of Nevada Aging and Disability Services Division (ADSD); USDA/NSIP (United States Department of Agriculture/Nutrition Services Incentive Program) funding; local soup revenue; WIN (Waiver for Independent Nevadans) funding; program income, a contract with Storey County, donations, and matching funds for ADSD funds from the County Ad Valorem tax specifically set aside for senior programming and Indigent Funds.

The Federal requirements for the senior nutrition funding require Senior Services to provide and distribute one (1) meal per day per client, for two hundred and fifty (250) days per year, for an annual total of approximately 410,000 meals;
