

The U.S. 395 Corridor

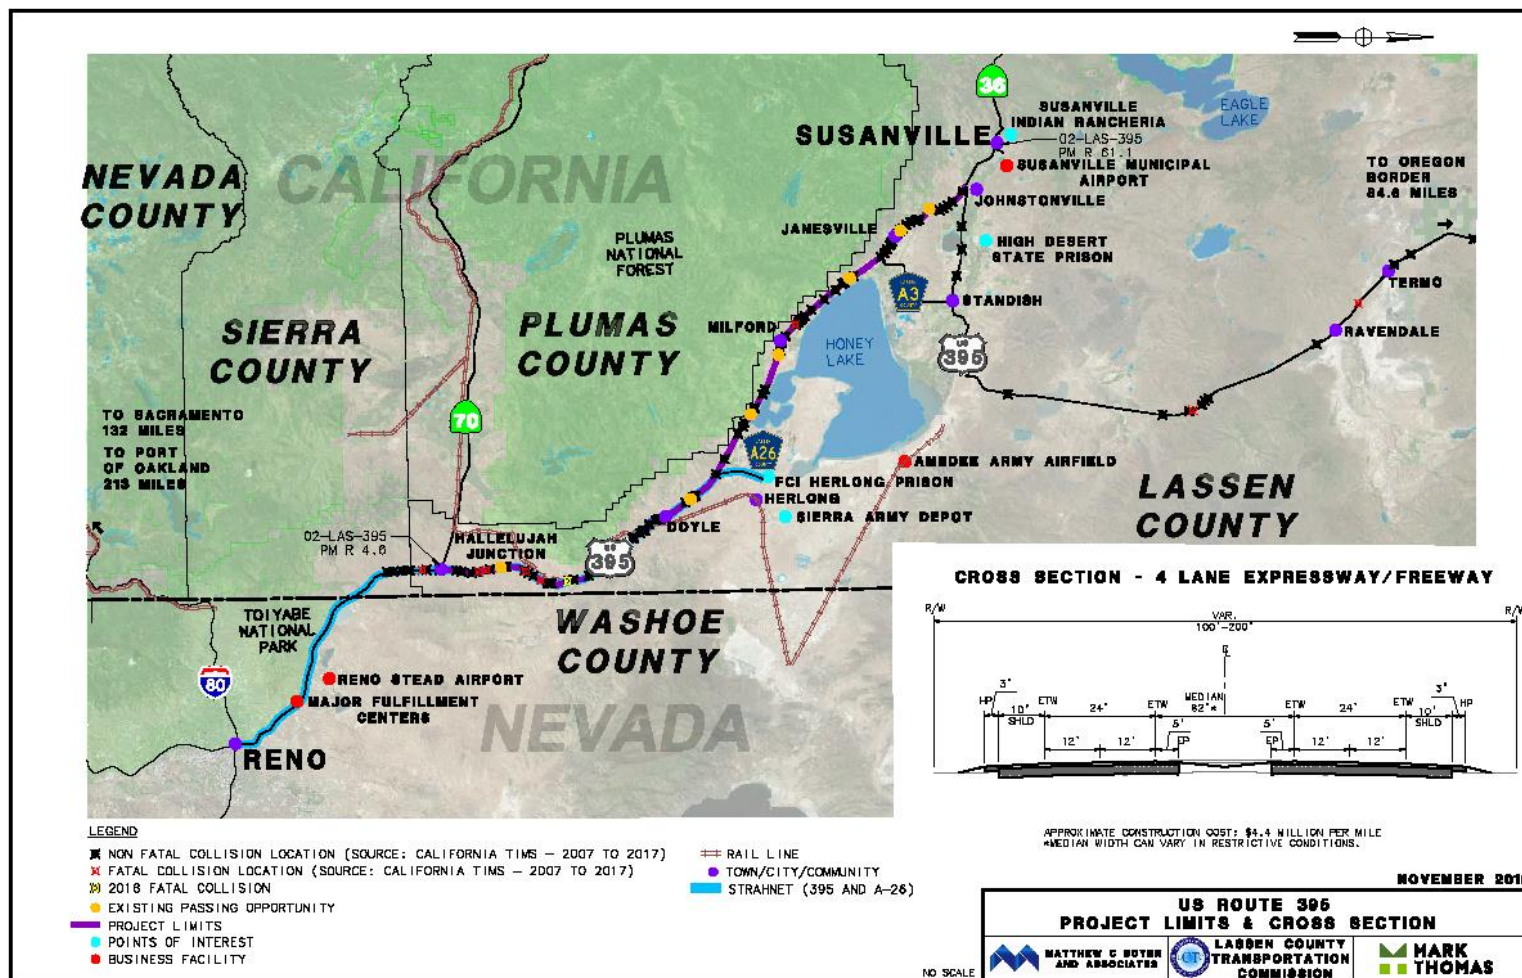

Presentation to the Washoe County Board of Commissioners

FEBRUARY 26, 2019

What is the U.S. 395
Corridor?

The U.S. 395 Corridor

The U.S. 395 Corridor

What are the regional goals for the Corridor?

- Economic Resiliency and Development
- Freight Movement
- Community Vitality
- Quality of Life
- Public Safety

Why form a U.S. 395 Coalition?

Coalition Development

What would be the Coalition's objectives?

- Support regional collaboration along the U.S. 395 Corridor
- Develop locally led and driven solutions
- Secure funding to support coalition priorities
- Engage local businesses, partners, and the public

Coalition Development

Who would lead the Coalition?

- Driven by local communities and jurisdictions
- Potential founding members include:
 - Lassen County, CA
 - City of Susanville, CA
 - Lassen County Transportation Commission
 - Washoe County, NV
 - City of Reno, NV
 - City of Sparks, NV
 - Regional Transportation Commission of Washoe County

Coalition Development

Who would be members of the Coalition?

- Federal agencies
- State agencies
- Regional transportation organizations
- Neighboring local governments
- Tribal entities
- Private businesses
- Community organizations

Coalition Development

What are the next steps?

- Coalition is still in the initial phase of development
- Next steps include:
 - Bring potential founding members together
 - Establish leadership for the coalition
 - Identify coalition goals and needs
 - Outreach to potential coalition members
