RECITALS

WHEREAS, Clean Tahoe is a nonprofit corporation, whose mission includes fostering public-private partnerships and resources for supporting litter and garbage management services in the Lake Tahoe Basin and surrounding areas; and

WHEREAS, all Funding Partners wish to enhance litter and garbage abatement and reduce the negative effects of such litter and garbage in their respective communities; and

WHEREAS, all Funding Partners recognize the advantage of a joint and coordinated effort to address litter and garbage abatement ("Pilot") and recognize Clean Tahoe's success in providing these services in the South Lake Tahoe area; and

WHEREAS, each Funding Partner has a separate Agreement with Clean Tahoe for litter abatement and garbage services related to the Pilot, each with specific services, terms, conditions, and compensation schedule; and

WHEREAS, this Memorandum of Understanding ("MOU") summarizes the various commitments of the Funding Partners and is not meant as a standalone agreement related to those services and funding (each, a "Funding Partner Agreement") but rather as a commitment to the coordinated program and summary of the Funding Partners' individual commitments. As such, the Funding Partners may make changes to their service levels and funding amounts in their respective jurisdictions without the need to amend this MOU. Any changes to a Funding Partner Agreement will need to be mutually agreed upon between the Funding Partner executing such Funding Partner Agreement and Clean Tahoe.

WHEREAS, upon the dissolution or winding up of the Pilot, any nonprofit or charitable assets, if any, shall first be distributed to Clean Tahoe. The assets remaining after payment or provision of payment of all debts and liabilities of the program, shall be distributed to Placer

County, Nevada Department of Transportation, Washoe County, Incline Village Improvement District, and Town of Truckee, on a pro rata basis to the extent each entity has contributed to said program.
