CERTIFIED MAIL: 9214 7969 0099 9790 1625 9768 55

Ladies and Gentlemen:

Pursuant to the provisions of NRS § 534.040(2), it is respectfully requested that you levy a special assessment on all taxable property within the confines of the Warm Springs Valley Groundwater Basin for the Fiscal Year July 1, 2019, to June 30, 2020. The levy must be charged against each water user who has a permit to appropriate water or a perfected water right, and the charge against each water user must be based upon the proportion which their water right bears to the aggregate water rights in the subject hydrographic basin, as officially designated on January 18, 1977.

The amount of \$2,332.57 will be required for the payment of necessary expenses for supervision over the groundwater basin to include, but not limited to water level measurements, crop/pumpage inventories, field investigations, aquifer tests, well driller inspections, intent to drill card and well log review, associated data collection and management.

We are enclosing a certificate to be signed and returned indicating that the assessment rate necessary to support the proposed budget has been acted on by the County Commissioners and the amount certified to the Assessor.

Sincerely,

A handwritten signature in cursive script that reads "Tim Wilson, P.E.".

CERTIFIED MAIL: 9214 7969 0099 9790 1626 0092 86

Ladies and Gentlemen:

Pursuant to the provisions of NRS § 534.040(2), it is respectfully requested that you levy a special assessment on all taxable property within the confines of the Washoe Valley Groundwater Basin for the Fiscal Year July 1, 2019, to June 30, 2020. The levy must be charged against each water user who has a permit to appropriate water or a perfected water right, and the charge against each water user must be based upon the proportion which their water right bears to the aggregate water rights in the subject hydrographic basin, as officially designated on February 1, 1978.

The amount of \$2,548.24 will be required for the payment of necessary expenses for supervision over the groundwater basin to include, but not limited to special studies, water level measurements, crop/pumpage inventories, field investigations, aquifer tests, well driller inspections, intent to drill card and well log review, associated data collection and management.

We are enclosing a certificate to be signed and returned indicating that the assessment rate necessary to support the proposed budget has been acted on by the County Commissioners and the amount certified to the Assessor.

Sincerely,

A handwritten signature in black ink that reads "Tim Wilson, P.E.".

Ladies and Gentlemen:

In the past years, pursuant to Chapter 534.040(2) of the Nevada Revised Statutes (NRS), an assessment has been required by the State Engineer for work performed by well supervisors in Cold Springs Valley Groundwater Basin. The Statute states that "the Board of County Commissioners shall levy a special assessment annually, or at such time as the assessment is needed" to pay for the salaries and necessary expenses incurred by well supervisors working in that particular basin. Upon review of past assessments and expenditures it has been deemed that a special assessment should not be levied for the fiscal year July 1, 2019, to June 30, 2020.

Thank you very much for your continued cooperation and assistance in this matter.

Sincerely,
