Interests & Experiences

Please tell us about yourself and why you want to serve.

Why are you interested in serving on this board or commission?

For many years, I have served on boards as a way to give back to my local area. As a public accountant, I have had a long experience with the assessment and administration of various forms of taxes, including representing clients before appeals boards. Serving on this committee will allow me to bring this experience to assist with the fair administration of property taxes. In the past, when I have served on public and non-profit boards, I have also learned a considerable deal, and look forward to learning a great deal while serving on this board.
