Dear Mr. Hicks:

The Division of Welfare and Supportive Services has revised FFY16 incentive awards, your new awarded amount is provided below. The federal fiscal year (FFY) 2016 Incentive Grant Award for the State of Nevada, Child Support Enforcement Program (CSEP) is \$3,476,014. These funds must be reinvested in the program or other approved activities that will contribute to improving the effectiveness or efficiency of the IV-D program.

The incentive calculation for child support enforcement offices is based upon performance levels in four areas: paternity establishment; cases with orders; collections on current support; and collections on arrears. Your office's incentive award calculation is illustrated on the attached spreadsheet and is summarized below. A minimum of 15% of the incentive award will be reserved for statewide program enhancements as agreed to in the Interlocal Contract between the District Attorney offices and the State.

FFY 2016 Incentive Award:	\$ 467,176.28
Less Reserved 15% - Program Enhancements:	<u>- 70,076.44</u>
	<u>\$ 397,099.84</u>

Incentive funds are reimbursable funds that are "drawn down" from the federal government upon being obligated or expended. You may submit a request for reimbursement immediately, when a bill is received, or on a monthly/quarterly basis (see CSEP IM 31-08).

Please contact Margaret Moe via email at mxmoe@dwss.nv.gov or by phone at (775) 684-0691 with any questions you may have about the incentive calculation.

Sincerely,

Cathy Kaplan
