**Section 110.408.25 Lot and Yard Standards.** The complete common open space development must comply with the minimum lot width, front yard setbacks, side yard setbacks, and rear yard setbacks in Table 110.406.05.1, Standards, or **can vary those minimum standards in the following manners: as an alternative,**

- (a) **Show** typical building envelopes ~~shall be shown~~ on the tentative subdivision map or parcel map where these standards are proposed to be varied below the minimum standard-; **or**
- (b) **Propose alternative setbacks for the development which, if approved, will be memorialized in the conditions of approval.**

**Building Orientation.** "Building orientation" refers to the placement and alignment of a building on a lot in relation to property lines, streets, access, and adjacent development.

**Cottage.** "Cottage" refers to a detached single family dwelling under 1,200 square feet and part of a cottage court development.

**Cottage Cluster.** "Cottage cluster" refers to a group of 2 through 12 cottages in a cottage court development that are arranged as a small community and meet the requirements for a cottage court. A cottage court development may contain one or multiple cottage clusters.

**Courtyard Apartments.** A residential development that shares a landscaped courtyard. The structure or structures are arranged around a garden court with parking consolidated and located to the side or rear of the development. All structures are connected by ADA compliant pedestrian pathways.

**Infill Development.** "Infill development" is the development or redevelopment of vacant or underutilized parcels located within existing developed areas where infrastructure is already in place and the parcel is surrounded by existing development on at least three sides, or two sides if located on a corner lot.

Must make one (1) of the following findings:

1. Consistency with Master Plan. The proposed Development Code amendment is in substantial compliance with the policies and action programs of the Washoe County Master Plan;
2. Promotes the Purpose of the Development Code. The proposed Development Code amendment will not adversely impact the public health, safety or welfare, and will promote the original purposes for the Development Code as expressed in Article 918, Adoption of Development Code;
3. Response to Changed Conditions. The proposed Development Code amendment responds to changed conditions or further studies that have occurred since the Development Code was adopted by the Board of County Commissioners, and the requested amendment allow for a more desirable utilization of land within the regulatory zones; and,
4. No Adverse Affects. The proposed Development Code amendment will not adversely affect the implementation of the policies and action programs of the Conservation Element or the Population Element of the Washoe County Master Plan.

# Recommended Motion - Approval

- I move that, after giving reasoned consideration to the information contained in the staff report and information received during the public hearing, the Washoe County Planning Commission **recommend approval** of WDCA25-0008, to amend Washoe County Code Chapter 110 (Development Code) within Articles 304, 306, 313, 404, 408, and 902, as reflected within the proposed ordinance contained in Exhibit A-1. I further move to authorize the Chair to sign the resolution contained in Exhibit A on behalf of the Washoe County Planning Commission and to direct staff to present a report of this Commission's recommendation to the Washoe County Board of County Commissioners within 60 days of today's date. This recommendation for approval is based on the ability to make at least one of the four findings set forth in Washoe County Code Section 110.818.15(e).
