

Chair Report, July 2026

Previous Requests & Their Resolutions

- CAB Chair Bierle asked that, relating to emergencies that may occur at Burning Man event and their response plans, if he is not able to read the emergency plan can someone who is allowed to read the plan, please read the plan and let him know if he, the GGID, or Gerlach Volunteer Fire Department have responsibilities during an emergency so he can prepare for those. This has been shared with County Leadership.
- It was noted that a second Burning Man staff member should be identified for emergencies occurring within the Gerlach community during the Burning Man event. This person is to be determined and will be communicated to the CAB and community.
