### SUMMARY

Discussion and possible approval of an Interlocal Agreement between Truckee Meadows Fire Protection District and Washoe County Sheriff's Office for the testing and training connected to self-contained breathing apparatus Equipment.

**Strategic Objective supported by this item:** *Sustainable Economic Resources*

### PREVIOUS ACTION

April 21, 2015, The Board of Fire Commissioners approved an Interlocal Agreement between Truckee Meadows Fire Protection District and Washoe County Sheriff's Office for the testing and training connected to self-contained breathing apparatus Equipment.

### BACKGROUND

Washoe County Sheriff's Office maintains numerous self-contained breathing apparatus (SCBA) equipment on our property. Washoe County Sheriff's Office is required per the Occupational Safety and Health Administration (OSHA 1910.134) to maintain the SCBA equipment due to our type of facility and to annually inspect and test the SCBA under National Fire Protection Association (NFPA) standards and directives of the SCBA manufacturer.

Truckee Meadows Fire Protection District has the training, knowledge and qualifications to inspect and repair SCBA equipment in compliance with NFPA and OSHA standards. This Agreement allows both agencies to work together to meet OSHA and NFPA standards in regards to SCBA equipment.

### FISCAL IMPACT

Any costs associated with this agreement are anticipated to remain within the fiscal year 2017/18 and 2018/19 budgets. Since costs are reimbursable, the District may bring a budget augmentation from collected reimbursements to the Board for approval in the future if deemed necessary.

**RECOMMENDATION**

Staff recommends the Board approve an Interlocal Agreement between Truckee Meadows Fire Protection District and Washoe County Sheriff's Office for the testing and training connected to self-contained breathing apparatus Equipment.

**POSSIBLE MOTION**

Should the Board/s agree with staff's recommendation, a possible motion could be:

*"I move to approve an Interlocal Agreement between Truckee Meadows Fire Protection District and Washoe County Sheriff's Office for the testing and training connected to self-contained breathing apparatus Equipment."*
