

# Fiscal Year 2026 Recommended Budget

Chad Kingsley, District Health Officer

March 06, 2025

# **Our Mission:**

**To improve and protect our community's quality of life  
and increase equitable opportunities for better health.**

# What Do We Do?

**We protect the health of Reno, Sparks, and Washoe County**

- **Prevent the spread of communicable disease**
- **Ensure food, air, water, and land are safe**
- **Prevent chronic disease and injury**
- **Support maternal and child health and development**
- **Provide needed clinical services**
- **Provide a variety of services that are specific to the needs of Washoe County**

**Public Health**

# Recent Accomplishments

- Processed 93% of Air Quality Stationary Source Permits in a timely manner.
- Provided two outreach events, five 2-day ASIST (Applied Suicide Intervention Skills Training) sessions with outreach to 120 local firearm license dealers.
- Convened a Syphilis Community Taskforce with healthcare providers, Medicaid Managed Care Organizations, and other stakeholders, to meet quarterly and develop an action plan to continue addressing syphilis, including congenital syphilis in our community.
- Held an inaugural food business resource fair to support local food entrepreneurs by offering them comprehensive information and resources to streamline the process of starting or expanding their food business.
- Launched the Active Managerial Control (AMC) Toolbox in English and Spanish on our website. The toolbox provides food establishment operators with resources to control foodborne illness risk factors including instructional training videos, AMC policy templates and sample language, guidance documents, and posters.

# Recent Accomplishments

- The Waste Management program continued to work with KTMB to provide waste reduction in the community. This long-standing relationship resulted in over 30,000 pounds of trash and 75,000 pounds of green waste being removed from the community. The team also supported the Great Sun Valley Clean Up, an initiative championed by Board of Health member Mariluz Garcia.
- The Safe Drinking Water program assisted the EPA in a PFAS sampling program to determine the scope and potential impact of PFAS in the community.
- The Safe Drinking Water program completed the first phase of the new Lead and Copper rule revision. This included obtaining inventories of all lead lines in public water systems within Washoe County.
- Successfully led and coordinated several large exercises with community partners, including a CHEMPACK full-scale exercise, a chemical full-scale exercise that included hospital decontamination, a mass casualty incident full-scale exercise, and an alternate care site tabletop exercise.

# Organizational Chart

- 201.74 Full Time Equivalent (FTE) staff
- 196.58 FTE working as of December 2024
- 182 Full time
- 5 Part Time (clinical staff including APRNs, Public Health Nurses, Government Affairs Liaison)
- 9.58 Intermittent Hourly (41 individuals including Advanced Practice Registered Nurses, Registered Nurses, Registered Dietitians, Public Service Interns)

# Above Base Request Summary

Request Description/Title	Revenue	Expenditure
Increase County Transfer for increased salary and benefit costs	\$ 1,000,000	\$ -
Reclassification Title Changes for Two Community Organizers to Community Health Educators	\$ -	\$ -
Reclassification Title Change for one Health Equity Coordinator to Community Health Coordinator	\$ -	\$ -
<b>Total</b>	<b>\$ 1,000,000</b>	<b>\$ -</b>

# Next Steps

## March 6<sup>th</sup>

- District Health Officer delivers FY26 budget to the County Manager and City Managers
- DBOH update on the Managers meeting for FY26 Budget

## April

- BCC meeting, County Manager's recommendations for FY26 budget, general Fund support should be finalized

## May

- BCC Public Hearing and possible adoption of the FY26 Budget

## June

- County delivers final budget to the Department of Taxation
