(Crash Data Collection Improvement)

Dear Sheriff Allen:

You are hereby authorized to begin work on the above referenced agreement. The estimated completion date is September 30, 2018. The services required by the project are detailed in the attached Agreement Scope of Services.

The estimated cost as shown in the Agreement is \$271,902.00 which includes 95% federal funding not to exceed \$258,307 and 5% sub recipient funding in an amount not to exceed \$13,595.00. Should anticipated costs exceed this amount as the project proceeds, this office must be notified immediately and approve any additional amounts. Failure to do so may result in unallowable costs exceeding those shown on the cost proposal.

Should you require additional information, please contact Kim Edwards at (775) 888-7204 or the NDOT Agreement Services Section at (775) 888-7070.

Sincerely,

A handwritten signature in blue ink that reads "Ken Mammen".
