Re: Cash Drawer

Our department currently has three cash drawers for a total of \$350.00. Cash is distributed as \$150 in drawers 1 and 2, and \$50 in drawer 3. With the increase in cases due to taking in District Court and Pre-Trial Services, and more people paying in cash, we are finding that it is not enough. If only a few people pay using a \$100 bill, we can quickly run out of change to distribute. We respectfully request to increase the amounts and the number of cash drawers as follows.

Sober 24 #1	\$200
Sober 24 #2	\$200
Sober 24 #3	\$200
Supervisor	\$300
Probation Desk	\$100

Please let me know if this request is approved or if you need any more information.

Sincerely,

Justin Roper, Acting Chief
